**The Road to a Better Way** Harley Osborne,2010-04-27 This book the Christian version of the Wizard of Oz     *Mercy Saw Me* Claudia M. Topps,2014-10-24 I wrote this book to explain different situations and times that God saw me through and brought me out of from the beginning of my life till now He never left me nor forsook me and I want the world to know that they too can have the infinite Mercies of God This book will shed light there is NOTHING TO HARD FOR GOD Enjoy and Be Blessed     **From Mistress to Ministry** Karen D. Reid,2003-06     **Every Life Tells a Story** Henry T. Ford,     **Heard His Voice...Saw His Glory** Gloria Conard-Lucero,2012-02     **A Walking Miracle** Rania Khalil Eid,2021-03-15 On June 17 2013 after suffering from chronic depression a bipolar disorder and a borderline personality disorder for years author Rania Eid decided to end her life again after many attempts She had no pulse and was taken to the hospital Though the doctors held little hope God had a plan for her After forty eight hours she opened her eyes and began the road to recovery But then she faced another challenge A divorce In *A Walking Miracle* Eid shares her story of how she overcame these critical setbacks and got back on her feet She tells how she knew deep down that God had a special purpose in mind for her life and future He awakened her faith and through that Eid ultimately found peace Eid tells how she believes God brings trials into our lives to give us more of Him The purpose of the trials is that we don't rely on ourselves in those moments but look to Him for salvation hope and joy We need to lean on God fix our eyes on His glory and cling to the truth found in Jesus because He is always enough for us     **Strange Star** Emma Carroll,2018-03-20 From the critically acclaimed author of *In Darkling Wood* comes a spine tingling novel inspired by *Frankenstein* with more than a hint of mystery and suspense One stormy June evening five friends meet at Villa Diodati the summer home of Lord Byron After dinner is served they challenge each other to tell ghost stories that will freeze the blood But one of the guests Mary Shelley is stuck for a story to share Then there's an unexpected knock at the front door Collapsed on the doorstep is a girl with strange scars on her face She has traveled a long way with her own tale to tell and now they all must listen Hers is no ordinary ghost story though What starts as a simple tale of village life soon turns to tragedy and the darkest most dangerous of secrets Sometimes the truth is far more terrifying than fiction and the consequences are even more devastating Praise for Emma Carroll's *In Darkling Wood* A haunting and poignant exploration of family loss and redemption Booklist Starred A tale brimming with emotion and atmosphere In *Darkling Wood* is absorbing and well written Hand this to readers who enjoy fantasy fairy tales and magical realism School Library Journal Starred Magic and mystery adds appeal to this already compelling family drama and Carroll manages to wrap all of the threads into a wholly satisfying ending Bulletin     *So True a Love* Maria M.
