We Were Adivasis Megan Moodie, 2015-08-20 In *We Were Adivasis* anthropologist Megan Moodie examines the Indian state s relationship to Scheduled Tribes or adivasis historically oppressed groups that are now entitled to affirmative action quotas in educational and political institutions Through a deep ethnography of the Dhanka in Jaipur Moodie brings readers inside the creative imaginative work of these long marginalized tribal communities She shows how they must simultaneously affirm and refute their tribal status on a range of levels from domestic interactions to historical representation by relegating their status to the past we were adivasis Moodie takes readers to a diversity of settings including households tribal council meetings and wedding festivals to reveal the aspirations that are expressed in each Crucially she demonstrates how such aspiration and identity building are strongly gendered requiring different dispositions required of men and women in the pursuit of collective social uplift The Dhanka strategy for occupying the role of adivasi in

urban India comes at a cost young women must relinquish dreams of education and employment in favor of community sanctioned marriage and domestic life Ultimately We Were Adivasis explores how such groups negotiate their pasts to articulate different visions of a yet uncertain future in the increasingly liberalized world **India Calling** ,1957
