

# Kant S Politics In Context

**R Sanford**

## **Kant's Politics In Context:**

*Kant's Politics in Context* Reidar Maliks, 2014 Kant's Politics in Context is the first book length contextual study of Kant's legal and political philosophy. It gives an account of the development of his thought before, during and after the French revolution. The book argues that Kant provided a philosophical defence of the revolution's liberal ideals while aiming to avoid the twin dangers of anarchy and despotism. Central to this was a concept of freedom as non-domination constituted by legal rights and duties within a state. The close connection between freedom and the rule of law accounts for the centrality of the state in Kant's liberalism. Understanding Kant's political philosophy poses difficulties that can be resolved by paying attention to the high stakes debates in Germany during the 1790s of which it was a part. Kant's theory of politics was not the result of dispassionate academic reasoning but crystallized in polemical interventions against his conservative and radical critics in debates about freedom, political rights, revolution and international law. By revealing the neglected origins of Kant's political concepts, this book explains their meaning as well as their relevance to current debates in political philosophy.

**Kant's Politics in Context** Reidar Maliks, 2014-09-11 Kant's Politics in Context is the first comprehensive contextual study of Kant's legal and political philosophy. It gives an account of the development of his thought before, during and after the French revolution. Reidar Maliks argues that Kant provided a philosophical defence of the revolution's republican ideals while aiming to avoid the twin dangers of anarchy and despotism. Central to this was a concept of equal freedom constituted by legal rights and duties within a state. The close connection between freedom and the rule of law accounts for the centrality of the state in Kant's thought. That Kant idealized the public sphere is well known but that he intentionally developed his own philosophy in polemical essays and pamphlets aimed for a wide audience has not been fully appreciated. Maliks shows how our understanding of Kant's political philosophy can be enriched through paying attention to the discussions he sparked during the 1790s where radical followers including Fichte, Erhard and Bergk clashed with conservative critics such as Rehberg, Meier and Gentz. This book provides fresh knowledge about a foundational moment for modern political thought and offers a new perspective on Kant's central political concepts including freedom, rights, citizenship, revolution and war.

*Kant's Politics in Context* Reidar Maliks, 2014 Argues that Kant provided a philosophical defense of the revolution's liberal ideals while aiming to avoid the twin dangers of anarchy and despotism. Central to this was a concept of freedom as non-domination constituted by legal rights and duties within a state.

Kant's Nonideal Theory of Politics Dilek Huseyinzadegan, 2019-04-15 Kant's Nonideal Theory of Politics argues that Kant's political thought must be understood by reference to his philosophy of history, cultural anthropology and geography. The central thesis of the book is that Kant's assessment of the politically salient features of history, culture and geography generates a nonideal theory of politics which supplements his well-known ideal theory of cosmopolitanism. This novel analysis thus challenges the common assumption that an ideal theory of cosmopolitanism constitutes Kant's sole political legacy. Dilek Huseyinzadegan demonstrates that Kant employs a teleological

worldview throughout his political writings as a means of grappling with the pressing issues of multiplicity diversity and plurality issues that confront us to this day Kant's Nonideal Theory of Politics is the first book length treatment of Kant's political thought that gives full attention to the role that history anthropology and geography play in his mainstream political writings Interweaving close textual analyses of Kant's writings with more contemporary political frameworks this book also makes Kant accessible and responsive to fields other than philosophy As such it will be of interest to students and scholars working at the intersections of political theory feminism critical race theory and post and decolonial thought **The**

**Politics of German Idealism** Christopher Yeomans, 2023 The Politics of German Idealism reconstructs the political philosophies of Kant Fichte and Hegel against the background of their social historical context It aims to connect their abstract doctrines to particular social changes taking place at the time and to profile each of their views against the others

**Provisional Politics** Elisabeth Ellis, 2008-01-01 If we are to vindicate moral reasoning in politics Elisabeth Ellis argues in this original and provocative work we must focus on the conditions of political discourse rather than the contents of any particular ethical system Written in an engaging direct style Provisional Politics builds on Ellis's prize winning interpretation of Kant's theory of provisional right to construct a new theory of justice under conditions of agency and plurality She develops this new perspective through a series of cases ranging from the treatment of AIDS widows in Kenya to the rights of non citizens everywhere as well as the clash between democratic decision making and the politics of species conservation The book concludes with a sobering discussion of the probable limits of political agency Passions, Politics and the Limits

of Society Heikki Haara, Koen Stapelbroek, Mikko Immanen, 2020-08-24 The 1st part of the volume engages with the theme of inclusion and exclusion in the history of ideas from different perspectives The 2nd part of the volume discusses debates on natural law human nature and political economy in early modern Europe Its contributions explore the sorts of political and moral visions that were relevant in post Hobbesian moral philosophy and the development of economic thought **Kant,**

**Critique and Politics** Kimberly Hutchings, 2013-01-11 Why does the ghost of Kant continue to haunt contemporary critical theory Kant Critique and Politics examines the influence of Kantian critique on the work of such major and diverse theorists as Habermas Arendt Foucault and Lyotard It offers an entirely new reading of Kant challenging the orthodox distinctions between modernist and postmodernist theorizing by illuminating how Kant's influence continues to structure critical debate This is the first book to offer both a systematic reading of Kant and to contextualise his work in the light of the continental tradition It will be central to political philosophers and students of international relations and feminist theory **Kant and**

**the Theory and Practice of International Right** Georg Cavallar, 2020-03-01 A similar book is Reidar Maliks Kant's Politics in Context Oxford Oxford University Press 2014 but it does not focus on international law Pauline Kleingeld's Kant and Cosmopolitanism The Philosophical Ideal of World Citizenship Cambridge Cambridge University Press 2012 touches upon international relations but is mainly a book on Kant's cosmopolitanism and a comparison with other 18c thinkers **The**

**Politics of Sustainability** Dieter Birnbacher, May Thorseth, 2015-05-15 Responsibility for future generations is easily postulated in the abstract but it is much more difficult to set it to work in the concrete. It requires some changes in individual and institutional attitudes that are in opposition to what has been called the systems variables of industrial society: individual freedom, consumerism, and equality. *The Politics of Sustainability from Philosophical Perspectives* seeks to examine the motivational and institutional obstacles standing in the way of a consistent politics of sustainability and to look for strategies to overcome them. It argues that though there have been significant changes in individual and especially collective attitudes to growth, intergenerational solidarity, and nature preservation, it is far from certain whether these will be sufficient to encourage politicians into giving sustainable policies priority over other legitimate concerns. Having a philosophical approach as its main focus, the volume is at the same time interdisciplinary in combining political, psychological, ecological, and economic analyses. This book will be a contribution to the joint effort to meet the theoretical and practical challenges posed by climate change and other impending global perils and will be of interest to students of environmental studies, applied ethics, and environmental psychology.

**Politics and Teleology in Kant** Tatiana Patrone, Paul Formosa, Avery Goldman, 2014-04-15 This volume critically examines and elucidates the complex relationship between politics and teleology in Kant's philosophical system. Examining this relationship is of key philosophical importance since Kant develops his political philosophy in the context of a teleological conception of the purposiveness of both nature and human history. Kant's approach poses the dual task of reconciling his normative political theory with both his *a priori* moral philosophy and his teleological philosophy of nature and human history. The fourteen essays in this volume by leading scholars in the field explore the relationship between teleology and politics from multiple perspectives. Together, the essays explore Kant's normative political theory and legal philosophy, his cosmopolitanism, and views on international relations, his theory of history, his theory of natural teleology, and the broader relationship between morality, history, nature, and politics in Kant's works. This important new volume will be of interest to a wide audience, including Kant scholars, scholars and students working on topics in moral and political philosophy, the philosophy of history, political theory, and political science, legal scholars, and international relations theorists, as well as those interested broadly in the history of ideas.

**How Kant's Conception of Reason Implies a Liberal Politics** Tatiana Patrone, 2008 This work examines the relation that exists between Kant's critical philosophy and his mature political doctrine. This study fills a gap in the current secondary literature on Kant: the relationship between Kant's first *Critique* and his political philosophy is rarely explored by contemporary Kant scholars and by political philosophers.

*Kant's Political Philosophy* Patrick Riley, 1983 **Global Limits** Mark F. N. Franke, 2001-05-16 *Global Limits* challenges both the current proliferation of Kantian readings of international affairs and the theoretical foundation Kant is presumed to provide the discipline. By thoroughly examining Kant's writings on politics, history, and ethics within the context of his larger philosophical project, Franke demonstrates that Kant's approach to international politics flatly contradicts many of the

debates on which the modern discipline of International Relations rests Paying specific attention to Kant's philosophy of judgment and the geopolitical vision one may draw from it Franke concludes that scholars must give up the universal limits offered by concepts such as the international world or global in favor of a far less certain and much more open interpretive framework emphasizing the political

**Revolution and Enlightenment in Europe** Timothy O'Hagan, 1991 **John Locke and Immanuel Kant, anglais** Martyn P. Thompson, 1991 Papers from a conference held 1989 in Tübingen

*Enlightenment, Hermeneutics as Politics* Wei Zhang, 1995 **On Feminist Ethics and Politics** Claudia Card, 1999 For years mainstream feminist ethics focused criticism on male supremacy Feminist philosophers in this volume adopt a less male focused stance to look closely at oppression's impact on women's agency and on women's relations with women Examining legal social and physical relationships these philosophers confront moral ambiguity moral compromise and complicity in perpetuating oppression Combining personal experience with philosophical inquiry they vividly portray their daily engagement with oppression as both victims and perpetrators They explore such issues as how pornography silences women and radical feminist politics complicity in racism Among these insightful essays Sandra Bartky argues that women share guilt for racism when they benefit from it without protest Susan Brison reflects on uses of narrative in trauma recovery from such experiences as being targeted for rape or murder Joan Callahan examines fallout of derogatory speech directed at lesbians Virginia Held proposes carrying care into marketplaces and governments and in her introduction Claudia Card draws on Primo Levi's conception of gray zones in exploring dangers of character damage to victims of misogyny A fitting companion to Card's highly regarded *Feminist Ethics* this volume interweaves observations on character political ethics violence and love into an accessible sourcebook for students It tackles some of feminism's most pressing issues and helps readers to identify and then overcome the real damage caused by oppression *Principles of Lawful Politics* Immanuel Kant, 1988 **On Schleiermacher and Gender Politics** Patricia Ellen Guenther-Gleason, 1997

## **Kant S Politics In Context** Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the power of words has be evident than ever. They have the capacity to inspire, provoke, and ignite change. Such is the essence of the book **Kant S Politics In Context**, a literary masterpiece that delves deep to the significance of words and their effect on our lives. Published by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book is key themes, examine its writing style, and analyze its overall impact on readers.

### **Kant S Politics In Context Introduction**

In today's digital age, the availability of Kant S Politics In Context books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Kant S Politics In Context books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Kant S Politics In Context books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Kant S Politics In Context versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Kant S Politics In Context books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Kant S Politics In Context books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Kant S Politics In Context books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions

have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Kant S Politics In Context books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Kant S Politics In Context books and manuals for download and embark on your journey of knowledge?

### **FAQs About Kant S Politics In Context Books**

1. Where can I buy Kant S Politics In Context books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Kant S Politics In Context book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Kant S Politics In Context books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing,

and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Kant S Politics In Context audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Kant S Politics In Context books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
