**Francophone Literature After the Postcolonial Age** Farid Laroussi, 2024-12-15 Francophone Literature After the Postcolonial Age argues that Francophone literature extends beyond the postcolonial critical landmarks that helped define the field since the late 1980s Today Francophone literature maps out different paths that highlight its emancipation from both the Francophonie s cultural ascendancy and postcolonial theory s scholarly hegemony Farid Laroussi s argument is that three main forces have reshaped the French postcolonial in the twenty first century digital globalization intertextuality and ecocriticism With digital globalization Francophone literature finds new voices unfettered from former aesthetic print and distribution diktats Home and the exilic paradigm are redefined in the postcolonial subject s own terms Intertextuality reconnects with poetic dialogism sans the mimicry burden The intertextuality challenge showcases a new writers community across time and cultures The old anxiety around one s own poetic voice now provides valid responses to literary reconfigurations The book s study cases operate around three specific pairings Segalen Glissant Kafka Maghreb literature and Morrison Miano Lastly ecocriticism along the decolonial discourse comes to discuss the place of the postcolonial home as well as the responsibility category The author contends that the attention to the land cannot be separated from imaginaries collective and individual Francophone writers stand at the crossroads of activism and poetics moving further away from French metropolitan preoccupations      **Official Handbook of the Public Athletic League, Baltimore, Md. ...** Public Athletic League, Baltimore, 1918      **Catalog of Sears, Roebuck and Company** Sears, Roebuck and Company, 1964
