Deere Shop Manual John Deere, This individual Shop Manual is one unit of a series on agricultural wheel type tractors
Contained in it are the necessary specifications and the brief but terse procedural data needed by a mechanic when repairing
a tractor on which he has had no previous actual experience The material is arranged in a systematic order beginning with
an index which is followed immediately by a Table of Condensed Service Specifications These specifications include
dimensions fits clearances and timing instructions Next in order of arrangement is the procedures section In the procedures
section the order of presentation starts with the front axle system and steering and proceeds toward the rear axle The last
portion of the procedures section is devoted to the power take off and power lift systems Interspersed where needed in this
section are additional tabular specifications pertaining to wear limits torquing etc
