Jesus Among Other Gods Participants Guide:

The Secret Battle of Ideas about God Participant's Guide Jeff Myers, 2017-08-01 This seven week participant's guide helps readers dig deeper and strengthen their faith as they learn how ideas from the five fatal worldviews can infect their faith. Readers will understand more about Secularism, Marxism, Islam, New Spirituality, and Postmodernism and how their faith can be affected by the ideas these worldviews spread. Designed to be used alongside the book and DVD, this interactive guide gives readers tools to establish a strong biblical worldview. *Growing in Christ While Helping Others Participant's Guide 4*

John Baker, 2016-06-14 The Celebrate Recovery Participant's Guides are essential tools for the personal recovery journey. In the seven lessons in Guide 4, *Growing in Christ While Helping Others*, you will work through the final two principles on the road to recovery. More than just maintenance, these principles will help you prevent relapse and give you the necessary tools to help others in their recovery process. 8. Reserve a daily time with God for self-examination, Bible reading, and prayer in order to know God and his will for my life and to gain the power to follow his will. 9. Yield myself to God to be used to bring this Good News to others both by my example and by my words. Happy are those who are persecuted because they do what God requires. Matthew 5:10. By working through the lessons and exercises found in each of the four Participant's Guides, you will begin to experience the true peace and serenity you have been seeking, restore and develop stronger relationships with others and with God, and find freedom from life's hurts, hang-ups, and habits. All the scriptures have been updated to the new NIV 2011 version.

Gospel Discipleship Participant Guide Michelle J. Morris, 2020-03-31 There was a time when discipleship was taken for granted. It was assumed that people could be persuaded to believe and that each person would step into the path that took them to Jesus. That assumption is no longer valid. As early as the Gospels, Jesus and his biographers recognize that each person brings experience to the journey which travels through different times and places. The discipleship path for each individual disciple is assessed and determined through this Gospel Discipleship Participant Guide, while the Gospel Discipleship Congregation Guide serves as the implementation guide for church leaders. It also assesses the discipleship path for the congregation as a whole. By understanding what type of disciple you are, participants in Gospel Discipleship can clarify the path they need to walk. Some people love to go on mission trips, some people really thrive learning from a great teacher, some people connect to God through painting and music, and some people just want to have a cup of coffee and talk about life and eventually get around to talking about Jesus. Participants in Gospel Discipleship can be set free from the guilt of not feeling like a real disciple because they don't feel called to experience the journey the same way as everyone else. Instead, participants can become the disciple Jesus wants them to be. They can spend their valuable time and energy living and walking on the path where Jesus is calling them to follow.
