Jewish New Testament Commentary David H. Stern, 2023-01-31 This updated companion volume to the Jewish New Testament enhances Bible study Passages and expressions are explained in their original cultural context the way 1st century Jewish writers meant for them to be understood Over fifteen years of research and study went into the JNTC to make the New Testament more meaningful Jewish New Testament Commentary David H. Stern, 1992 The New Testament is a Jewish book written by Jews initially for Jews Its central figure was a Jew His followers were all Jews yet no translation except this one really communicates its original essential Jewishness Uses neutral terms and Hebrew names Highlights Jewish features and Jewish references Corrects mistranslations from an anti Jewish theological basis Freshly rendered into English using the Greek texts this is a must for learning about first century faith **Iewish New Testament** David H. Stern, 2023-03-07 Why is this New Testament different from all other New Testaments Because the Iewish New Testament expresses its original and essential Jewishness The New Testament is a Jewish book by Jews mostly about Jews and for Jews as well as Gentiles Its central figure the Messiah Yeshua Jesus was and is a Jew Vicarious atonement salvation immersion baptism the new covenant and the very concept of a Messiah are all Jewish In sum the New Testament is built upon and **52** Apologetics Michael D. Conaway, Jr., 2014-07-05 THIS BOOK IS ABOUT THE KUNDALINI YOGA SCIENCE FROM A CHRISTIAN BIBLE PERSPECTIVE Here and Now Robby Gallaty, 2019-02-15 The Christian life was so much more than just a one time decision to secure a place in heaven What if you could experience heaven on earth today Not flying angels singing on clouds but the fulfilled abundant life Jesus promised in the Bible a life that regardless of your circumstances or your present context experiences joy happiness and peace that is difficult to encapsulate in human terms What if heaven was available to us today Pastor and author Robby Gallaty thinks it is We have been taught that salvation is getting man out of earth to live in heaven when the Bible teaches that God desires to bring heaven to earth through man In Here and Now readers will journey together to uncover the nucleus

of Jesus messages which says the opposite Jesus spoke about the Kingdom of Heaven and the Kingdom of God both are synonymous as we will see more than any other topic No other concept is even close **The Law and the Promise**Jonathan A. Brown, 2025-09-26 Is the Law contrary to God's promise Although Paul clearly states in Galatians 3 21 that it is not many Christians throughout history have interpreted Paul's position on the Law in the exact opposite way Perhaps more than any other Paul's letter to the Galatians is often regarded as the definitive rejection of Torah observance for believers Christianity's declaration of independence from slavery to the Law This interpretation positions Law and grace as fundamentally opposed to each other for grace to reign Law must resign But is that view actually biblical In this short book Jonathan A Brown challenges this centuries old consensus by taking Paul's own emphatic answer seriously Far from it Through careful exegesis of Galatians 3 and 4 Brown argues that the apostle never intended to pit Torah against grace but rather sought to clarify their distinct and complementary roles in God's redemptive plan Drawing on his background in the biblical languages and years of teaching through Galatians Brown offers a fresh perspective that harmonizes Paul's apparent contradictions about the Law while maintaining the centrality of justification by faith This work invites believers to move beyond the false dichotomy of Law versus grace and discover how both work together in God's unified plan of redemption

Converging Destinies Stuart Dauermann, 2017-03-14 While all have reason to celebrate the greening of Christian Jewish relations since the Shoah and the promulgation of Nostra Aetate 4 few will deny that much work remains to be done by Christians and Jews seeking the best way forward that they might best serve God's purposes in the world the mission of God This book addresses that need by first surveying how each community has historically conceived of its own mission and from that stance assigned an identity to the other The text illuminates how such construals have often impeded progress and therefore need to be upgraded and supplemented But how shall this be done Converging Destinies proposes an eschatological vision and practical suggestions to summon Jews and Christians to prepare for that day when each will be both commended and reproved by the judge of all sounding a call for more determined action greater humility and cooperative effort as together Jews and Christians serve the mission of God accountable to him for how they have served him and each other in the world that he has created according to his will **His Name Is Yeshua** Leo Vanderploeg, 2025-03-31 In the West most of us Christians have grown up using names like Jesus Old Testament New Testament and the Law without realizing the real history behind these titles Did you know that the name Jesus is less than four hundred years old and has no meaning In what climate did this non Jewish name appear in church history Did you know that the Old New Testament division was created by a church heretic who hated the Old Testament We have also likely been raised with a subtle antisemitism beginning with Bible schools and seminaries that brush off the importance of the Hebrew language of studying the language for the layperson and the importance of names in the Bible Often there is a prejudice against rabbinic thinking and commentary of God's Word So if we have a library of books about the Scriptures we may have a disproportionate number of commentaries written by non Jews I ve met enough pastors who only had one Jewish commentary if any As we are fed by very what I call Greekish thinking I ve even met people who were upset to find out Jesus was a Jew and his real name was Yeshua Have you discovered that the New Testament though written in Greek is grounded in Hebrew thought Did we forget which people group gave us the Scriptures Many leaders of the church do not even know the place or role of the Jews in the end times as they believe they have no importance at all anymore Did this lack of knowledge have anything to do with the holocaust This book may be instrumental for today s church that it wakes up to some fundamental truths that we never knew or forgot May this book be a blessing to you Shalom Leo Through the Lens of An Ancient Yisra'elite Bible Study Benjamin Nieves Carrasquillo Jr., 2025-05-28 The information contained in this book is based on 23 years of thorough academic research teaching and schooling The book avoids any form of western bias no presuppose ideas ideologies or theories The book is an in depth study of the Biblical text within the context of the ancient culture language traditions and customs of a first century Yisra elite In That Day Rabbi David Levine, 1998 In That Day is Rabbi David Levine s poignant account of how Yeshua is gathering His people past present and future together into a rich tapestry that brings a clear understanding of what God is doing on the earth today among the Jews Those who love Israel will find Rabbi Levine's insights exciting prophetic and full of promise End time prophecy is being fulfilled as Jewish people everywhere gather together in celebration of Jubilee and the fiftieth anniversary of the founding statehood of Israel Find out how these events fit perfectly together in the Lord's plan to restore His people and His promises to them Index to Jewish Periodicals, 2004 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests The National Jewish Monthly, 1929 Catalogue of the Central Lending Library ...
