Jimny Manual Or Automatic:

On a Global Mission: The Automobiles of General Motors International Volume 3 Louis F. Fourie, 2016-12-29
Volume One traces the history of Opel and Vauxhall separately from inception through to the 1970s and thereafter collectively to 2015. Special attention is devoted to examining innovative engineering features and the role Opel has taken of providing global platforms for GM. Each model is examined individually and supplemented by exhaustive supporting specification tables. The fascinating history of Saab and Lotus begins with their humble beginnings and examines each model in detail and looks at why these unusual marques came under the GM Banner. Included is a penetrating review of Saab through to its unfortunate demise. Volume Two examines unique models and variations of Chevrolet and Buick manufactured in the Southern Hemisphere and Asia but never offered in North America. Daewoo Wuling and Baojun are other Asian brands covered in detail. This volume concludes with recording the remarkable early success of Holden and its continued independence through to today. Volume Three covers the smaller assembly operations around the world and the evolution of GM's export operations. A brief history of Isuzu, Subaru and Suzuki looks at the three minority interests GM held in Asia. The GM North American model specifications are the most comprehensive to be found in a single book. Global and regional sales statistics are included. GM executives and management from around the globe are listed with the roles they held. An index ensures that these volumes serve as the ideal reference source on GM.

Faced with a complete failure of communications, power and water supplies and surrounded by devastation, isolated survivors must defend themselves or attack others for the little that they have. *Survivors* follows the Morton family in their effort to cope with their anxieties, mistakes and fortitude in the necessary struggle to become survivors. Readers are taken from an isolated refuge in the Peak District to the chaos of central Manchester as they follow the family in their attempt to build a self-sufficient survival group. When the young women in the group are abducted, Tom Morton begins a desperate search through the Lake District to find his daughter Jo. Racked with guilt and self-doubt, Tom knows that the search can only end in violence while Jo endures a solitary and hazardous trek across Northern England, revealing hidden depths of resourcefulness. Both are on journeys of self-discovery: can they truly survive in this brutal post-apocalyptic world? Inspired by the work of John Wyndham, Martin Tillmanns' debut novel will appeal to readers who enjoy realistic apocalyptic thrillers.
