Japanese Women Novelists in the 20th Century Sachiko Shibata Schierbeck, 1994 It was not until Kawabata Yasunari won the 1968 Nobel Prize for literature that the average Western reader became aware of contemporary Japanese literature A few translations of writings by Japanese women have appeared lately yet the West remains largely ignorant of this wide field In this book Sachiko Schierbeck profiles the 104 female winners of prestigious literary prizes in Japan since the beginning of the century It contains summaries of their selected works and a bibliography of works translated into Western languages from 1900 to 1993 These works give insight into the minds and hearts of Japanese women and draw a truer picture of the conditions of Japanese community life than any sociological study would present Schierbeck s 104 biographies constitute a useful reference work not only to students of literature but to anyone with an interest in women s studies history or sociology
