*Judgment in Managerial Decision Making* Max H. Bazerman, Don A. Moore, 2009 Decision making plays a crucial role in managerial life But too often our decisions are clouded by personal biases and uncertainty This book shows readers how to identify their own biases in order to make better decisions Judgment in Managerial Decision Making Max H.

Bazerman, 2001-07-27 Author is a leading theorist in negotiation and decision making **Encyclopedia of Management Theory** Eric H. Kessler, 2013-03-01 In discussing a management topic scholars educators practitioners and the media often toss out the name of a theorist Taylor Simon Weber or make a sideways reference to a particular theory bureaucracy total quality management groupthink and move on as if assuming their audience possesses the necessary background to appreciate and integrate the reference This is often far from the case Individuals are frequently forced to seek out a hodgepodge of sources varying in quality and presentation to provide an overview of a particular idea This work is designed to serve as a core reference for anyone interested in the essentials of contemporary management theory Drawing together a team of international scholars it examines the global landscape of the key theories and the theorists behind them presenting them in the context needed to understand their strengths and weaknesses to thoughtfully apply them In addition to interpretations of long established theories it also offers essays on cutting edge research as one might find in a handbook And like an unabridged dictionary it provides concise to the point definitions of key concepts ideas schools and figures Features and Benefits Two volumes containing over 280 signed entries provide users with the most authoritative and thorough reference resources available on management theory both in terms of breadth and depth of coverage Standardized presentation format organized into categories based on validity and importance structures entries so that readers can assess the fundamentals evolution and impact of theories To ease navigation between and among related entries a Reader's Guide groups entries thematically and each entry is followed by Cross References In the electronic version the Reader's Guide combines with the Cross References and a detailed Index to provide robust search and browse capabilities An appendix with a Chronology of Management Theory allows readers to easily chart directions and trends in thought and theory from early times to the present An appendix with Central Management Insights allows readers to easily understand compare and apply major theoretical messages of the field Suggestions for Further Reading at the end of each entry guide readers to sources for more detailed research and discussion Key themes include Nature of Management Managing People Personality and Perception Managing Motivation Managing Interactions Managing Groups Managing Organizations Managing Environments Strategic Management Human Resources Management International Management and Diversity Managerial Decision Making Ethics and Creativity Management Education Research and Consulting Management of Operations Quality and Information Systems Management of Entrepreneurship Management of Learning and Change Management of Technology and Innovation Management and Leadership Management and Social Environmental Issues PLUS Appendix of Chronology of

Management Theory PLUS Appendix of Central Management Insights      **Wisdom, Analytics and Wicked Problems** Ali Intezari, David Pauleen, 2018-11-02 The challenges faced by 21st century businesses organizations and governments are characterized as being fundamentally different in nature scope and levels of impact from those of the past As problems become increasingly complex and wicked conventional reductive approaches and data based solutions are limited The authors argue that practical wisdom is required This book provides an integral and practical model for incorporating wisdom into management decision making Based on a cross disciplinary conceptualization of practical wisdom the authors distinguish systematically between data information knowledge and wisdom based decision making While they suggest that data analytics information and knowledge can assist decision makers to better deal with complex and wicked problems they argue that data based systems cannot replace optimized human decision making capabilities These capabilities the authors explain include a range of qualities and characteristics inherent in philosophical psychological and organizational conceptions of practical wisdom Accordingly in this book the authors introduce a model that identifies the specific qualities and processes involved in making wise decisions especially in management The model is based on the empirical findings of the authors studies in the areas of wisdom and management This book is a practical resource for professionals practitioners and consultants in both the private and public sectors The theoretical discussions critical arguments and practical guidelines provided in the book will be extremely valuable to students at the undergraduate and postgraduate levels as well as upper level postdoctoral researchers looking at business management strategies      *Profiting From Uncertainty* Paul Schoemaker, 2012-12-25 What manager is not anxious about the future We live in a white knuckled age of rapid technological change and global instability But uncertainty is not the enemy says management expert Paul J H Schoemaker It is where the greatest opportunities are To unlock these opportunities however requires a very different approach to strategy and implementation In this pioneering book Dr Schoemaker presents a systematic approach that combines concepts such as scenario planning options thinking and dynamic monitoring to create novel strategies for profiting from ambiguity Building on his experience with more than one hundred consulting projects in fields ranging from health care to manufacturing from utilities to financial services Schoemaker shows how major corporations throughout the world have used his pathbreaking methodology to prepare for an uncertain future and profit from it In this first comprehensive approach to the subject Schoemaker shows the reader 1 how to develop and analyze multiple industry scenarios 2 craft nimble strategies with just the right amount of flexibility 3 implement them using an options approach and 4 make real time adjustments through dynamic monitoring As a leading academic thinker and practitioner the author draws on the frontiers of decision science organization theory strategy and cognitive psychology to integrate the most practical contributions these various fields have made to navigating uncertainty More than any other capability skill in seizing initiatives in shifting unpredictable circumstances is the key to success *Profiting from Uncertainty* provides a road map to do just that This book was first

published in 2002 well ahead of the mega turmoil that befell the world in 2008 and beyond The methods and tools described here have been used by many companies and are even more relevant today than when originally published You can't do without them
