Jesus Saves Crafts:

Bible Stories & Crafts: New Testament Mary Tucker, 2007-01-10 Bible stories from the Old and New Testaments are presented in creative ways to help children understand God's work and His presence in their everyday lives. Each story is accompanied by discussion questions, a memory verse, and a fun craft activity. **Jesus Saves! Focusing on the big picture as well as the crucial details, Bell examines twelve stories by both established writers including Peter Taylor, Mary Gaitskill, and Carolyn Chute, and his own former students. A story's use of time, plot, character, and other elements of fiction are analyzed, and readers are challenged to see each story's flaws and strengths. Careful endnotes bring attention to the ways in which various writers use language. Bell urges writers to develop the habit of thinking about form and finding the form that best suits their subject matter and style. His direct and practical advice allows writers to find their own voice and imagination. [Catalog of Copyright Entries](#) Library of Congress. Supplement your Bible lessons with these Bible-related 3-D crafts pulled from the popular Dig In Sunday school curriculum. Your 3 to 7 year olds will love making these functional toys and fun projects that focus on the life of Jesus. Here are just a few of the 54 clever ideas included in this book: a healing care package to learn that Jesus heals us, teddy bears to show that Jesus' followers care for others, a piggy bank to remind kids of the prodigal son, and that Jesus loves us no matter what, a bandage ball to demonstrate that Jesus understands suffering. These crafts use simple supplies you can find at your local Walmart or in your supply closet or even in your trash. The Scripture and topical indexes make it easy to find a craft that goes with your Bible lesson. Even your non-artistic kids will have a blast making these fun crafts and then taking them home to put them to use. No more crafts left behind in the classroom or discarded on the floor of the car. No more 2 dimensional art for parents to clutter their fridge. Get kids making things they'll want to keep. This book
