Last Supper Crafts:

Kitschy Crafts Jo Packham, Matt Shay, 2006 It's fun it's retro and it's back in style Take a fond look back at the kitschy crafts of the 40s 50s 60s 70s and 80s from crocheted doilies to shell art nightlights All these nostalgic creations appear in appropriately fashioned period settings that will captivate browsers and come with instructions for those who just can't resist creating their own string art pictures pink flamingo items far out tie dyes kooky candles macrame plant hangers and the one time must have on every coffee table a resin cast grape cluster And of course who can live without the hottest toy of all The Sock Monkey Doll Everyone will have a blast poring over these even those who have never made a craft in their lives

Publisher's description [Bible Stories and Crafts](#) Mary Tucker, 2004-01-06 Dozens of stories about Bible characters and events are accompanied by discussion questions memory verses craft patterns and more *Novel Craft* Talia

Schaffer, 2011-01-15 *Novel Craft* explores an intriguing and understudied aspect of cultural life in Victorian England domestic handicrafts the decorative pursuit that predated the Arts and Crafts movement Talia Schaffer argues that the handicraft movement served as a way to critique the modern mass produced commodity and the rapidly emerging industrial capitalism of the nineteenth century Her argument is illustrated with the four pivotal novels that form her study's core Gaskell's *Cranford* Yonge's *The Daisy Chain* Dickens's *Our Mutual Friend* and Oliphant's *Phoebe Junior* Each features various handicrafts that subtly aim to subvert the socioeconomic changes being wrought by industrialization Schaffer goes beyond straightforward textual analysis by shaping each chapter around the individual craft at the center of each novel paper for *Cranford* flowers and related arts in *The Daisy Chain* rubbish and salvage in *Our Mutual Friend* and the contrasting ethos of arts and crafts connoisseurship in *Phoebe Junior* The domestic handicraft also allows for self-referential analysis of the text itself in scenes of craft production and destruction the authors articulate the work they hope their own fictions perform The handicraft also becomes a locus for critiquing contemporary aesthetic trends with the novels putting forward an alternative vision of making value and understanding art A work that combines cultural history and literary studies *Novel Craft* highlights how attention to the handicraft movement's radically alternative views of materiality consumption production representation and subjectivity provides a fresh perspective on the major changes that shaped the Victorian novel as a whole

[The Culture of Craft](#) Peter Dormer, 1997-06-15 Dormer presents a series of lively clearly argued discussions about the relevance of handicraft in a world whose aesthetics and design are largely determined by technology The question of computer aided design in craft is also addressed *A Theory of Craft* Howard Risatti, 2009-09-15 What is craft How is it different from fine art or design In *A Theory of Craft* Howard Risatti examines these issues by comparing handmade ceramics glass metalwork weaving and furniture to painting sculpture photography and machine made design from Bauhaus to the Memphis Group He describes craft as uniquely blending function with a deeper expression of human values that transcend culture time and space Craft must articulate a role for itself in contemporary society says Risatti otherwise it will be
