Morbid Stories Satanic Satire:

Morbid Stories Tarl Warwick, 2014-12-18 From the inner workings and ruminations derived thereof of human decomposition a quasi satirical view towards the infernal and blasphemous and more than a slight interest in the mad and depraved Morbid Stories promises a little bit of everything within the most extreme circles of horror subgenre from the outright violence of splatterpunk to the horrifying chill of the macabre Herein are short stories ranging from the deliberately repulsive to the intentionally heretical with a warped fondness for Satan and an appreciation for decay and mortality that few may truly understand Beyond merely a work of horror the subgenres contained within this work are not for the faint of heart and its content me described as a fusion of the madness of Lovecraft and the screeching wailing agonizing butchery of anything written in the most hardcore circles the deepest darkest underground of literary taboo For those who consider standard horror too tame and standard macabre too uplifting Morbid Stories can offer you that first glance at the truly deprayed underworld of mankind pulling you deeper and deeper into lunacy with every turn of the page Tarl Warwick, 2016-06-11 Morbid Stories is calculated to be the most grueling ride through terror and evil ever concocted by the hands of mankind Utterly depraved mindless filled with degeneracy and a hopelessness and resignation to torment that only true lunatics can fully appreciate This second edition has been re edited once more to remove all remaining traces of errors and provide the reader with an even more satisfying look into madness and the halls of perdition itself From the Satanic to the simply violent from the perverted and deranged to to macabre Morbid Stories offers not one story but a whole compendium of short writings each designed to evoke a different feeling with all feelings evoked remaining starkly negative and designed to fill the reader with disgust In this endeavor something more insane than splatterpunk has been designed

Morbid Stories Tarl Warwick,2025-08-20 Morbid Stories is a compilation of horrific and evil short stories dwelling on lunacy degeneracy violence and Hell It is not for the faint of heart but is the ultimate foray into madness and suffering which will only be understood by those who are utterly insane or true connoisseurs of the horror genre It is designed to disgust the average person and cause the above average person to think or to laugh at the absurdity of mortality and ethics 355 pages
