(Same as OR, just more variety in type)

- Begin with the standard you want to assess? Your question needs to match the standard.
- Determine the level of thinking your students need to attain look at the power verb (think Bloom's) based on the standard. That will define the type of CR you draft.

- Practice writing a response yourself, or better yet ask a colleague to read the passage and answer the question. Is it a quality question? Write a 2-point response if question was SA or 4 point if it was an open response.

The STANDARD will help define the type.
