Civil War High Commands John Eicher, David Eicher, 2002-06-01 Based on nearly five decades of research this magisterial work is a biographical register and analysis of the people who most directly influenced the course of the Civil War its high commanders Numbering 3 396 they include the presidents and their cabinet members state governors general officers of the Union and Confederate armies regular provisional volunteers and militia and admirals and commodores of the two navies Civil War High Commands will become a cornerstone reference work on these personalities and the meaning of their commands and on the Civil War itself Errors of fact and interpretation concerning the high commanders are legion in the Civil War literature in reference works as well as in narrative accounts The present work brings together for the first time in one volume the most reliable facts available drawn from more than 1 000 sources and including the most recent research The biographical entries include complete names birthplaces important relatives education vocations publications military grades wartime assignments wounds captures exchanges paroles honors and place of death and interment In addition to its main component the biographies the volume also includes a number of essays tables and synopses designed to clarify previously obscure matters such as the definition of grades and ranks the difference between commissions in regular provisional volunteer and militia services the chronology of military laws and executive decisions before during and after the war and the geographical breakdown of command structures The book is illustrated with 84 new diagrams of all the insignias used throughout the war and with 129 portraits of the most important high commanders

The Maryland Campaign of September 1862 Ezra A. Carman, Thomas Clemens, 2017-02-15 The Battle of Shepherdstown and the End of the Campaign is the third and final volume of Ezra Carman s magisterial *The Maryland Campaign of September 1862* As bloody and horrific as the battle of Antietam was historian Ezra Carman who penned a 1 800 page manuscript on the Maryland campaign did not believe it was the decisive battle of the campaign Generals Robert E Lee and George B McClellan intended to continue fighting after Sharpsburg but the battle of Shepherdstown Ford September 19 and 20 forced them to abandon their goals and end the campaign Carman was one of the few who gave this smaller engagement its due importance detailing the disaster that befell the 118th Pennsylvania Infantry and Maj Gen A P Hill s success in repulsing the Union advance and the often overlooked foray of Jeb Stuart s cavalry to seize the Potomac River ford at Williamsport Carman also added a statistical study of the casualties in the various battles of the entire Maryland Campaign and covered Lincoln s decision to relieve McClellan of command on November 7 He also explored the relations between President Lincoln and General McClellan before and after the Maryland Campaign which he appended to his original manuscript The before section a thorough examination of the controversy about McClellan s role in the aftermath of Second Manassas campaign will surprise some and discomfort others and includes an interesting narrative about McClellan s reluctance to commit General Franklin s corps to aid Maj Gen John Pope s army at Manassas Carman concludes with an executive summary of the entire campaign Dr Clemens

concludes Carman s invaluable narrative with a bibliographical dictionary and genealogical goldmine of the soldiers politicians and diplomats who had an impact on shaping Carman s manuscript While many names will be familiar to readers others upon whom Carman relied for creating his campaign narrative are as obscure to us today as they were during the war The Maryland Campaign of September 1862 Vol III The Battle of Shepherdstown and the End of the Campaign concludes the most comprehensive and detailed account of the campaign ever produced Jammed with firsthand accounts personal anecdotes detailed footnotes maps and photos this long awaited study will be appreciated as Civil War history at its finest
