I have been working on ICOM equipment since 1981 and worked for ICOM America for 10 years,(1981 & 1990)

I can answer most questions on the older gear (Pre 1986), radios after 1986 have alot of bells, whistles and sub menu's. Just send me a Email, responses are usually 24 hours or less.

No pre-authorization is required, just a with a description (a letter/note or the service form with the radio is very important, (repairs will be delayed without it), and a contact method. Please be sure to include at least contact info with the radio. If the radio is received without information (it happens alot) it will delay the servicing of your radio.
