Robert Wilkinson, René Gabriels

Multilingual Encounters In Europe S Institutional Spaces:

Multilingual Encounters in Europe's Institutional Spaces Johann Wolfgang Unger, Michał Krzyżanowski, Ruth Wodak, 2014 **The Oxford Handbook of Language Policy and Planning** James W. Tollefson, Miguel Pérez-Milans, 2018
In 35 chapters by leading scholars in language policy and planning LPP this Handbook critically examines current theoretical and methodological transformations taking place in LPP Sections on LPP theory nation states and communities and late modernity plus an integrative summary offer a state of the art profile of LPP and directions for future research

Multilingualism and Politics Katerina Strani, 2020-08-07 This edited book makes a significant contribution to the relatively under explored field of multilingualism and politics approaching the topic from two key perspectives multilingualism in politics and the politics of multilingualism Through the lens of case studies from around the world the authors in this volume combine theoretical and empirical insights to examine the inter relation between multilingualism and politics in different spheres and contexts including minority language policy national identity the translation of political debates and discourse and the use of multiple often competing languages in educational settings This book will be of interest to students and scholars in the fields of politics sociology sociolinguistics language policy and translation and interpreting studies *Language Rights and the Law in the European Union* Eduardo D. Faingold, 2019-11-15 This book examines the language policies relating to linguistic rights in European Union law and in the constitutions and legal statutes of some European Union member states In recent years the European Union has seen an increase in claims for language recognition by minority groups representing a considerable population such as Catalan in Spain and Welsh in the UK Additionally there is a developing situation surrounding the official use of English within the European Union in the aftermath of the Brexit vote In light of these two contexts this book focuses on the degree of legal protection afforded to linguistic groups in the European Union It will be of interest to students and scholars of language policy EU law minority languages and sociolinguistics

The Language(s) of Politics Nils Ringe, 2022-01-19 Multilingualism is an ever present feature in political contexts around the world including multilingual states and international organizations Increasingly consequential political decisions are negotiated between politicians who do not share a common native language Nils Ringe uses the European Union to investigate how politicians reliance on shared foreign languages and translation services affects politics and policy making Ringe s research illustrates how multilingualism is an inherent and consequential feature of EU politics that it depoliticizes policy making by reducing its political nature and potential for conflict An atmosphere with both foreign language use and a reliance on translation leads to communication that is simple utilitarian neutralized and involves commonly shared phrases and expressions Policymakers tend to disregard politically charged language and they are constrained in their ability to use vague or ambiguous language to gloss over disagreements by the need for consistency across languages **Conceptual**

History in the European Space Willibald Steinmetz, Michael Freedén, Javier Fernández-Sebastián, 2017-06-01 The result of

extensive collaboration among leading scholars from across Europe Conceptual History in the European Space represents a landmark intervention in the historiography of concepts It brings together ambitious thematic studies that combine the pioneering methods of historian Reinhart Koselleck with contemporary insights and debates each one illuminating a key feature of the European conceptual landscape With clarifying overviews of such contested theoretical terrain as translatability spatiality and center periphery dynamics it also provides indispensable contextualization for an era of widespread disenchantment with and misunderstanding of the European project

The Englishization of Higher Education in Europe Robert Wilkinson, René Gabriels, 2025-10-01 The introduction of English as a medium of instruction EMI has changed higher education enormously in many European countries This development is increasingly encapsulated under the term Englishization that is the increasing dispersion of English as a means of communication in non Anglophone contexts Englishization is not undisputed legal challenges have arisen in several countries Nor is it uniform universities across Europe embrace Englishization but they do so in their own way In this volume authors from 15 European countries present analyses from a range of perspectives coalescing around core concerns the quality of education cultural identity inequality of opportunities and access questions of justice and democracy and internationalization and language policy This book will appeal to researchers in applied linguistics sociolinguistics educational sciences and political science as well as policy makers and people with a concern about the direction of higher education

Multilingual Europe Jane Warren, Heather Merle Benbow, 2008 As Europe continues to expand and integrate through the European Union it faces the challenge of ever increasing multilingual and multicultural contact within and across its borders This volume presents recent research on European language policy language contact and multiculturalism that explores how Europe is meeting this challenge Inspired by intersections and conflicts in language and cultural identity in Europe the volume transcends disciplinary boundaries by enhancing sociolinguistic research with chapters on cultural identity and language in contemporary European cinema The book considers the relationships between language and cultural identity in Europe at a time of increasing multicultural complexity with contributions on Belgium France Germany Italy the Netherlands Spain Sweden and Ukraine and the linguistic and imaginative spaces between and beyond The volume highlights the ongoing significance of language and identity for an expanding Europe and the ways in which situations of linguistic hybridity interlocation and language contact continue to define Europe and its others

Language, Discourse and Identity in Central Europe Jenny Carl, Patrick Stevenson, 2009-04-30 Focusing on contact between German and other languages the contributors in this book analyze the ways in which language practices and discourses on language have changed since the end of the Cold War

Third Level, Third Space Michael Kelly, Imelda Elliott, Lars Fant, 2001 This book argues that intercultural communication generates a third space between people languages and cultures It has a particularly important role to play in third level education But those who teach about it need to be more aware of language especially but not only in

the context of Europe which is characterised both by creative linguistic and cultural diversity and by obstacles to communication The world is undergoing rapid and profound transformation Internationalisation of the global economy the communications revolution and increased mobility have exponentially increased the scale of encounters between people and cultures This has a far reaching transformative impact on the identities and values they carry The chapters were first presented at colloquia of the Thematic Network in Languages at Antwerp and Boulogne in 1998 and 1999 They contain a wealth of reflection and good ideas and identify a number of practical imperatives ethical political and institutional The book presents a series of challenges and invites the reader to consider how changes might be implemented in different contexts so as to strengthen the ability of higher education to contribute to the successful development of a multi cultural and multilingual Europe *European Studies Newsletter* ,2001 **Traditional Dwellings and Settlements Review** ,2006

Sociological Abstracts Leo P. Chall,2004 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers **Linguistics and Language Behavior Abstracts** ,2006-04 **Yearbook of International Organizations** ,1998 CSA Political Science & Government ,2004 **The British National Bibliography** Arthur James Wells,2009 **Abstracts of the Annual Meeting -- American Anthropological Association** American Anthropological Association,1995 Subject Guide to Books in Print ,1996 *Current Index to Journals in Education* ,2001
