Making Sense of Japanese Grammar Željko Cipriš, Shoko Hamano, 2002-04-30 *Making Sense of Japanese Grammar* explains in a lively and highly informative manner basic principles that underlie a wide range of phenomena in Japanese. Students irrespective of proficiency level and linguistic training will find clarification on matters of grammar that often seem idiosyncratic and Japanese specific such as avoiding the use of certain pronouns, employing the same word order for questions, hidden subjects, polite and direct forms. Organized for easy access and readability, *Making Sense of Japanese Grammar* consists of short units each focused on explaining a distinct problem and illustrated with a wealth of examples. To further enhance their usefulness, the units are cross referenced and contain brief comprehension exercises to test and apply newly acquired knowledge. A glossary and keys to the exercises are at the back of the book. This volume may be used as a supplementary classroom reading or a helpful reference for students of all levels. Both students and instructors, even those trained in linguistics, will find its accessible explanations of grammatical concepts helpful. Grounded in sound scholarship and extensive teaching experience, *Making Sense of Japanese Grammar* brings a fresh and liberating perspective to the study of Japanese.

Handbook of Japanese Grammar Harold Henderson, 2010-10-18 This grammar has been written to help the student to think in the Japanese way. Part One contains several introductory notes on Nomenclature, Syntax, Verbs, Aru, Iru, Oru, on Adjectives and on Foreign Words. Part Two concentrates on connectives, the particles and suffixes which modify the sense of other words or show the relationship of these words to each other. These connectives are the heart of Japanese grammar, present unusual difficulty to foreign students. Arranged alphabetically in dictionary form, each word is followed by a textual explanation of how it is used and of its various meanings with cautions as to its translation. The forms covered include not only those of the standard colloquial, literary or *bungo* styles but also the more common colloquialisms and provincial forms, whether or not these are strictly grammatical. No other text available makes as thorough or as complete a classification.

Modern Japanese Grammar Naomi Hanaoka McGloin, 2014 *Modern Japanese Grammar A Practical Guide* is an innovative reference guide to Japanese combining traditional and function based grammar in a single volume. The Grammar is divided into two parts. Part A covers traditional grammatical categories such as nouns, verbs, adjectives, particles, topic, honorifics etc. Part B is carefully organised around language functions covering all major communication situations such as Initiating and ending a conversation, Seeking and giving factual information, Expressing gratitude, likes and dislikes, Making requests and asking for permission and advice. With a strong emphasis on contemporary usage, all grammar points and functions are richly illustrated throughout with examples written both in Romanization and Japanese script, a mixture of hiragana, katakana and kanji. Main features of the Grammar include: Clear, succinct and jargon free explanations; Extensive cross referencing between the different sections; Emphasis on areas of particular difficulty for learners of Japanese. Both as a reference grammar and as a practical usage manual, *Modern Japanese Grammar A Practical Guide* is the ideal resource for learners of Japanese at all levels from beginner to intermediate and advanced students. No prior knowledge of grammatical terminology or Japanese

script is required and a glossary of grammatical terms is provided This Grammar is accompanied by the Modern Japanese Grammar Workbook ISBN 978 0 415 27093 9 which features related exercises and activities [A Guide to Japanese Grammar](#) Mr Tae Kim, Noah Books (James Ross), 2002-08 My guide to Japanese grammar has been helping people learn Japanese as it s really spoken in Japan for many years If you find yourself frustrated that you can t understand Japanese movies or books despite having taken Japanese classes then this book is for you It will help you finally understand those pesky particles and break down grammatical concepts that will allow you to comprehend anything from simple to very complex sentences You will also learn Japanese that s spoken by real people including casual speech patterns and slang stuff that s often left out in most textbooks Don t take my word for it just check out my website and order this book to have it handy wherever you go **A Guide** Out of Stock - Buy Paperback, 2017-12-27 Japanese is the gateway to the rich culture of the exciting and complex island nation of Japan Some people get intimidated by the prospect of speaking Japanese worried that it s just too complex Picking up the basics of Japanese doesn t require any more than an interest and a willingness to try something new **Complete Japanese Adjective Guide** Ann Tarumoto, 2001-05-01 This is a useful and user friendly Japanese adjective guide and workbook To effectively learn Japanese a strong knowledge of Japanese vocabulary is needed The complete Japanese Adjective Guide is a simple approach to understanding Japanese grammar and syntax methodically leading students through the intricacies of adjective use Exercises build mastery and confidence as grammar topics are introduced Regular and na adjectives are discussed in separate sections to allow beginning students to clarify differences Vocabulary is kept to a minimum with a concentration on the fundamental patterns of adjective use what works with one adjective will work with another like it and beginning Japanese language students with limited vocabulary will be able to do the exercises without the distraction of constantly looking up new words An invaluable workbook for any student of introductory Japanese The Complete Japanese Adjective Guide is written so the reader can master adjectives which in turn will help distinguishing desu forms and verbs Lessons are incremental with easy to follow explanations for independent study gradually working up to the more difficult patterns and include many memory drills to afford the opportunity to thoroughly master the topic at hand This volume also includes a convenient glossary of nouns Highlights of this book are Clear explanations of every adjective formation Comprehensive exercises and drills Completely romanized for ease of use
