Designer File Karl Lagerfeld, 19?? The Chiffon Trenches André Leon Talley, 2020-05-19 NEW YORK TIMES BESTSELLER From the pages of Vogue to the runways of Paris, this captivating Time memoir by a legendary style icon captures the fashion world from the inside out in its most glamorous and most cutthroat moments. The Chiffon Trenches honestly and candidly captures fifty sublime years of fashion. Manolo Blahnik NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR Fortune Garden of Eatin' New York Post During André Leon Talley's first magazine job alongside Andy Warhol at Interview, a fateful meeting with Karl Lagerfeld began a decades-long friendship with the enigmatic, often caustic designer. Propelled into the upper echelons by his knowledge and adoration of fashion, André moved to Paris as bureau chief of John Fairchild's Women's Wear Daily, befriending fashion's most important designers: Halston, Yves Saint Laurent, Oscar de la Renta. But as André made friends, he also made enemies. A racially tinged encounter with a member of the house of Yves Saint Laurent sent him back to New York and into the offices of Vogue under Grace Mirabella. There he eventually became creative director, developing an unlikely but intimate friendship with Anna Wintour. As she rose to the top of Vogue's masthead, André also ascended and soon became the most influential man in fashion. The Chiffon Trenches offers a candid look at the who's who of the last fifty years of fashion. At once ruthless and empathetic, this engaging memoir tells with raw honesty the story of how André not only survived the brutal style landscape but thrived despite racism, illicit rumors and all the other challenges of this notoriously cutthroat industry to become one of the most renowned voices and faces in fashion. Woven throughout the book are also André's own personal struggles that impacted him over the decades, along with intimate stories of those he turned to for inspiration: Diana Vreeland, Diane von Fürstberg, Lee Radziwiłł, to name a few, and of course

his Southern roots and faith which guided him since childhood The result is a highly compelling read that captures the essence of a world few of us will ever have real access to but one that we all want to know oh so much more about FENDI by Karl Lagerfeld Karl Lagerfeld,2015 *Karl : Karl Lagerfeld* Karl Lagerfeld (Firm),2012 **My Paris Dream** Kate Betts,2016-04-05 A charming and insightful memoir about coming of age as a fashion journalist in 1980s Paris by former Vogue and Harper s Bazaar editor Kate Betts the author of *Everyday Icon Michelle Obama and the Power of Style* You can always come back my mother said Just go As a young woman Kate Betts nursed a dream of striking out on her own in a faraway place and becoming a glamorous foreign correspondent After college and not without trepidation she took off for Paris renting a room in the apartment of a young BCBG bon chic bon genre family and throwing herself into the local culture She was determined to master French slang style and savoir faire and to find a job that would give her a reason to stay After a series of dues paying jobs that seemed only to reinforce her outsider status Kate s hard work and willingness to take on any assignment paid off Her writing and intrepid forays into la France Profonde true France caught the eye of John Fairchild the mercurial fashion arbiter and publisher of *Women s Wear Daily* the industry s bible Kate s earliest assignments investigating the mineral water preferred by high society chasing after a costumed band of wild boar hunters through the forests of Brittany were a rough apprenticeship but she was rewarded for her efforts and was initiated into the elite ranks of Mr Fairchild s trusted few who sat beside him in the front row and at private previews in the ateliers of the gods of French fashion From a woozy yet mesmerizing Yves Saint Laurent and the mischievous and commanding Karl Lagerfeld to the riotous brilliant young guns who were rewriting all the rules Martin Margiela Helmut Lang John Galliano Betts gives us a view of what it was like to be an American girl learning about herself falling in love and finding her tribe Kate Betts s captivating memoir brings to life the enchantment of France from the nightclubs of 1980s Paris where she learned to dance Le Rock to the lavender fields of Provence and the grand spectacle of the Cour Carr e and magically re creates that moment in life when a young woman discovers who she s meant to be Praise for *My Paris Dream* A glittering coming of age tale Entertainment Weekly The Must List Fashion and self examination froth and wisdom might seem like odd bookfellows but Betts brings them together with winning confidence The New York Times Book Review As light and refreshing as an ice cream cone from the legendary Berthillon *My Paris Dream* evokes the sights sounds smells and styles of 1980s Paris USA Today *My Paris Dream* is awesome Man Repeller What was Bett s Paris dream Her dream was her awakening which is elegantly chronicled in these pages The Daily Beast For those who are interested in the men and women involved in haute couture Betts reminiscences will be a delight Kirkus Reviews Full of slangy French delectable food and swoon worthy fashion BookPage An amazing story of a young woman in Paris trying to break into the fashion business Sophia Amoruso author of *GIRLBOSS* Kate Betts s story brought me back to my own young self and the journey I made in my case from a small town in Illinois to New York City Cindy Crawford
