

# 1998 S/T Truck Service Manual

## Volume 3

This manual provides information on the diagnosis, the service procedures, the adjustments, and the specifications for the 1998 S/T Truck.

Information on transmission and input (overhaul) can be found in the 1998 Transmission/Transfer Case and Repair Manual (TUMM, 38PFD09/TUMM, available separately). The TUMM manual contains information on automatic and manual transmissions and transfer cases, and transfer cases for all GM passenger cars and light duty trucks, including the full line and about description information.

The technicians who understand the material in this manual and of the appropriate Dealer Service Bulletin better service the vehicle owners.

When this manual refers to a brand name, a part number, or a specific tool, you may use an equivalent product in place of the recommended item. All information, illustrations and specifications in this manual are based on the latest product information available at the time of publication approval.
