While nutrition recommendations frequently pepper the pages of magazines and newspapers across the country we're left increasingly confused about food and disconnected from our bodies. Sarah teaches you that enjoying food and embracing the pursuit of pleasure can liberate you from diet culture for good while improving your health and sense of well being. Imagine Feeling in control of your food choices whether that means saying yes to double cheese pizza because it looks so good or no to the chocolate chip cookie because it doesn't. Keeping previously off limits foods like ice cream and candy in your house and eating them in a calm kind way. Having the freedom to enjoy pasta pizza and pie without a side of guilt or shame. Understanding how all foods can fit into a healthy diet and how to make necessary restrictions such as for medical or religious reasons a little more enjoyable. *Enjoy It All* expands upon the following key points: The reasons we diet and keep dieting even when we know diets don't work. What's really underneath our never ending quest for the perfect body. How our preoccupation with good and bad foods keeps us from food freedom. The value of habits and behaviors rooted in self care vs self control. How pleasure isn't antithetical to health it's intrinsic to it. *Enjoy It All* also features journaling and mantra exercises an array of delicious recipes for breakfasts mains vegetable sides and snacks and a step by step process to support your health without dieting. We've been conditioned to believe we need to abide by external rules to be healthy. But what if everything you need to know is already within you.
