The Doctrines of Grace in an Unexpected Place Mark R. Stevenson,2017-03-10 Does God sovereignly elect some individuals for salvation while passing others by Do human beings possess free will to embrace or reject the gospel Did Christ die equally for all people or only for some These questions have

long been debated in the history of the Christian church. Answers typically fall into one of two main categories popularly known as Calvinism and Arminianism. The focus of this book is to establish how one nineteenth century evangelical group, the Brethren, responded to these and other related questions. The Brethren produced a number of colorful leaders whose influence was felt throughout the evangelical world. Although many critics have assumed the movement's theology was Arminian, this book argues that the Brethren, with few exceptions, advocated Calvinistic positions. Yet there were some twists along the way. The movement's radical biblicism, passionate evangelism, and strong aversion to systematic theology and creeds meant they refused to label themselves as Calvinists, even though they affirmed Calvinism's soteriological principles, the so-called doctrines of grace.

An Infinite Journey Dr. Andrew M. Davis, 2014-01-09 After we've come to faith in Christ, God leaves us in this world for a very clear purpose: his own glory. But how are we to glorify God for the rest of our lives? The Bible reveals that God has laid before every Christian two infinite journeys which we are to travel every day: the internal journey of growth into Christlike maturity and the external journey of worldwide evangelism and missions. This book is a road map for the internal journey, laying out how we are to grow in four major areas: knowledge, faith, character, and action. In this book, we'll learn how God grows us in knowledge, faith, character, and action. We'll also discover that spiritual knowledge constantly feeds our growing faith; faith will transform our character; our transformed character will result in an array of actions more and more glorifying to God; and our actions will feed our spiritual knowledge. This upward spiral will lead us to become more and more like Jesus Christ in holiness. And not only will this book help us understand Christian growth in detail, it will also give us a passion to grow every day for his glory.

A Camaraderie of Confidence John Piper, 2016-04-14 In his seventh book in The Swans Are Not Silent series, John Piper explores the lives of Charles Spurgeon, Hudson Taylor, and George Müller. Each of these men was known for extraordinary faith in God and untiring service to others. Each of them continues to motivate and inspire God's people even today. Rooted in their nineteenth-century British context, these three giants encouraged one another in their ministries: Spurgeon in the church, Müller in orphan care, and Taylor in world missions. Even through intense adversity, the lives of each of these men display their shared confidence in the power of God and their love for his glory and goodness. As you read these stories, may you be inspired to hold fast to the promises of God as you press on in commitment to Christ's mission. Part of the The Swans Are Not Silent series.
