The Moment to Decide Jan S. Doward,1984 **Jeremiah** Ronald E. Clements,2011-12-15 This critical assessment of the book of Jeremiah enables the reader to rediscover many of the most profound and relevant features of Jeremiah s message and of the agonies and fears of those to whom it was first given The picture that emerges of the prophet is an intensely moving one often at variance with the conventional image of earlier popular reconstructions Having witnessed the loss of most of the treasured and revered religious support of his day Jeremiah discovered that the only secure foundation of hope is in God Interpretation A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry A Commentary on JEREMIAH David Pawson,2018-11-02 Jeremiah was God s man for a nation declining from having been one of the first powers to being a very third rate power a nation losing its empire losing its territory a nation getting involved in all sorts of relationships with other nations to try to survive by joining larger power units a nation that was doing exactly what ours is doing and that was becoming weak in its external and political relationships because it was becoming weak morally and spiritually inside As we go through this prophecy you will think you are reading the Sunday newspapers It is a most relevant part of God s Word People used to bring me newspaper cuttings during our studies of Jeremiah They were taking the Word of God then picking up their newspaper the next morning and relating God s eternal Word with man s word It becomes possible to see how it all fits **Jeremiah** Elmer A. Martens,1986-05-17 Elmer A Martens explores the message and insights of Jeremiah for today In Jeremiah God disciplines people and punishes them Yet there is also forgiveness and the promise of a new covenant This ancient book is strangely relevant to our generation The more we learn about the stressful times in which Jeremiah lived about the passionate prophet himself and about the arrangement of the book that bears his name the more forceful the message becomes **The Ordination of Women** Jan Voerman,2014-04-09 Can you understand algebra if you have never learned basic addition Can you write a book if you have never constructed a simple sentence In order to understand complex things we must go back to the beginning and learn the basics The same principle can be applied to our understanding of biblical truths When looking at the complex issue of women s ordination it is important to examine the beginning of God s Word Pastor Jan Voerman s analysis of the Genesis account of Creation and the fall of Adam and Eve more than strengthens an unpopular argument for the restoration of the traditional roles of men and women in society In addition to studying the Old and New Testaments in regards to this topic Pastor Voerman also draws from the writings of the early church fathers and Ellen G White The Ordination of Women The Priesthood of All Believers and Other Aspects presents a surprisingly refreshing outlook on a complex subject that encourages readers to return to their biblical roots as people of the book **Jeremiah, Lamentations** F. B. Huey,1993 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text **The Thunder of a Mighty Voice!** Bruce Seltzer,2016-07-21 The book examines three

world wide religions claiming to be the one true religion He uses the self identity of these groups and compares their claims to the record of history and the scriptures In the process the reader will be inspired to renewed trust in the Bible and a clearer picture of the Father and his only Son Bible prophecy is fundamental to a revived interest and belief in Christ and his word One early reader described it as A life changing experience Jeremiah and Lamentations (Teach the Text Commentary Series) J. Daniel Hays,2016-03-29 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text The Message of Jeremiah Christopher J. H. Wright,2014-02-10 A replacement volume in the Bible Speaks Today Old Testament commentary series this book offers a new exposition on Jeremiah a book of the victory of God s love and grace The prophet s redemptive reconstructive work comprises the book s portrait of the future a future that we see fulfilled in the New Testament through the life death and resurrection of Jesus the Messiah *The Book of Jeremiah* John Goldingay,2021-12-07 Of the Major Prophets Jeremiah is perhaps the least straightforward It is variously comprised of stories about the prophet Jeremiah exchanges between Jeremiah and Yahweh and messages directly from Yahweh meaning a consciousness of form is essential to the understanding of its content At times it is written in poetry resembling Isaiah while at other times it is written in prose more similar to Ezekiel And it is without doubt the darkest and most threatening of the Major Prophets inviting comparisons to Amos and Hosea John Goldingay a widely respected biblical scholar who has written extensively on the entire Old Testament navigates these complexities in the same spirit as other volumes of the New International Commentary on the Old Testament series rooted in Jeremiah s historical context but with an eye always trained on its meaning and use as Christian Scripture After a thorough introduction that explores matters of background composition and theology Goldingay provides an original translation and verse by verse commentary of all fifty two chapters making this an authoritative and indispensable reference for scholars and pastors as they engage with Jeremiah from a contemporary Christian standpoint *The preacher's commentary on the Book of Jeremiah* William Harvey-Jellie,1882 **A Classified Index to the Chinese Literature of the Protestant Churches in China** George Alfred Clayton,1918 **The Book of the Prophet Jeremiah, Chapters 26-52** Ernest Wilson Nicholson,1975-05-08 The New English Bible translation of the text with an introduction and commentary **Advent Review and Sabbath Herald** ,1976 **The Wiersbe Bible Study Series: Jeremiah** Warren W. Wiersbe,2012-03-01 Hundreds of years before Christ s birth the people of Judah were in full rebellion Influenced by the pagan culture surrounding them the Israelites began to worship idols instead of the one true God As their depravity grew and destruction loomed a lone prophet was given an enormous task call God s people back to Him The Wiersbe Bible Study Series explores timeless wisdom found in God s Word Based on Dr

Warren W Wiersbe's popular BE series of commentaries each study provides topical relevant insights from selected books of the Bible Designed for small groups or individuals this eight week study examines events that led to the fall of Israel while exploring the heart and mission of a prophet who made a decision to stand for the Lord no matter what **Jeremiah** E. A. Martens, 1986-05-17 Elmer A Martens explores the message and insights of Jeremiah for today In Jeremiah God disciplines people and punishes them Yet there is also forgiveness and the promise of a new covenant This ancient book is strangely relevant to our generation The more we learn about the stressful times in which Jeremiah lived about the passionate prophet himself and about the arrangement of the book that bears his name the more forceful the message becomes
