Jerky Seceret Recipe:

The Secret to Crafting Ground Beef Jerky Recipes Brian Gary Forbes, 2021-02-14 Great recipes are rarely nailed on the first try. Instead, they are developed over several generations of making the same recipe with minor changes to the ingredients. In this way, a recipe is taken from average to outstanding by changing a couple small details each time and making the recipe again until it's perfect. Thankfully, most recipes only need to be made a couple or a few times to get them dialed in, and that's all part of the fun of crafting your own ground beef jerky recipes. Coming up, I'll show you how to take a recipe that you like and make changes to the ingredients to highlight what you would like to taste more and reduce what you want to taste less. You'll learn how to make a recipe that is just the way you like it without compromise or having to settle for something that isn't how you like it. Once you know the process, the rest of the book is filled with log sheets where you can write out your recipes as well as the changes and save them as your own personal beef jerky cookbook. Not only will it help you make better recipes, it will also give you a place to safely store them so as you create your custom tailored recipes, you won't have to worry about losing them. There is room for 100 recipes of your own with space for up to five generations of each recipe. *Kiplinger's Personal Finance*, 2001-01 The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership, and many other personal finance topics. **World's Greatest Jerky Recipes** Andrea Silver, 2018-01-27 To say something is the world's best is hyperbole, but when you taste something this good, you won't be thinking rationally anymore.
