Nine Quarters of Jerusalem Matthew Teller,2022-03-17 Original and illuminating what a good book this is Jonathan Dimbleby A love letter to the people of the Old City Jerusalem Post In Jerusalem what you see and what is true are two different things Maps divide the walled Old City into four quarters yet that division doesn't reflect the reality of mixed and diverse neighbourhoods Beyond the crush and frenzy of its major religious sites much of the Old City remains little known to visitors its people overlooked and their stories untold Nine Quarters of Jerusalem lets the communities of the Old City speak for themselves Ranging through ancient past and political present it evokes the city's depth and cultural diversity Matthew Teller's highly original biography features the Old City's Palestinian and Jewish communities but also spotlights its Indian and African populations its Greek and Armenian and Syriac cultures its downtrodden Dom Gypsy families and its Sufi mystics It discusses the sources of Jerusalem's holiness and the ideas often startlingly secular that have shaped lives within its walls Nine Quarters of Jerusalem is an evocation of place through story led by the voices of Jerusalemites *A Dictionary of*
