My Best Friend Jesus Cheryl Lynn Woolsey, 1998 My Best Friend Jesus makes it easy to bring your preschool children to Jesus every day The short simple devotionals build on Jesus action based style of teaching and explore Jesus life through the book of Matthew The stories are short enough for you to tell in your own words your eyes meeting your child's eyes just as Jesus eyes searched the hearts of His listeners Since children learn many different ways these devotionals use a variety of learning methods to help bring a living breathing Jesus to the forefront of young minds and hearts The many hands on activities and crafts build on the objects and events in the child's everyday life capitalizing on Jesus object lessons **A Roman's Faith: Jesus Heals the Centurion's Servant** Ahmed Musa , 2024-12-14 In the heart of Roman occupied Israel a Roman centurion a man of authority strength and influence came face to face with a situation that left him powerless his beloved servant was gravely ill and no earthly remedy could save him But this centurion was no ordinary soldier He had heard of Jesus miracles and knew that this Jewish teacher had the power to heal In a bold and humble act of faith he reached out to Jesus with a request that would challenge everything the Jewish people understood about God s grace A Roman s Faith Jesus Heals the Centurion s Servant unfolds the dramatic story of how this Gentile officer though an outsider to the promises of Israel demonstrated a faith that Jesus declared to be greater than any He had seen in Israel In A Roman s Faith Jesus Heals the Centurion s Servant you will discover The centurion s heart for his servant a man of power and status who despite his position cared deeply for those under his command showing a tender compassion that would lead him to seek Jesus The unexpected and striking humility of the centurion who despite his rank recognized his own unworthiness to have Jesus come to his home yet trusted in the authority of Christ to heal with just a word The remarkable faith the centurion displayed a faith that understood the nature of authority and saw that Jesus like him had authority over sickness death and the entire spiritual realm Jesus astonished response to the centurion s faith how He praised the centurion as a model of belief saying I have not found anyone in Israel with such great faith The immediate healing of the servant a profound miracle that showed Jesus power to heal from a distance and a demonstration that faith not heritage or ethnicity was what God honored This story

breaks through cultural social and religious boundaries illustrating that faith in Jesus transcends all barriers The Roman centurion's trust in Jesus authority challenges us to examine our own faith Do we trust Jesus with the same level of humility and certainty Do we recognize His authority in every area of our lives even when the circumstances seem impossible What does the centurion's faith teach us about humility authority and the power of belief How can we cultivate the kind of trust that amazes Jesus A Roman's Faith is a reminder that Jesus honors faith whether it comes from the most respected leaders or the most humble souls The power of Jesus to heal transform and save is available to all who believe regardless of their background Step into A Roman's Faith Jesus Heals the Centurion's Servant and discover how the unwavering trust of a Roman soldier led to a miracle that still speaks to us today Faith in Jesus moves mountains and His authority over all things is something we can trust with our every need
