Chapter 2 Directed Reading Worksheet

The Fall and Promise of a Savior

Directions: Read through the chapter and fill in the missing information. All the questions run sequential to the chapter. If a true/false statement is false, correct it.

Introduction: Original Sin (pages 47–54)

1. What does it mean to say that Adam and Eve enjoyed the greatest human paradise possible?
They did not suffer. They would not die. Work was creative and not a burden. Love of God and neighbor was alive. The two practiced self-mastery.
2. Adam and Eve placed their trust in Satan when he suggested that God was lying to them. He assured them, "You certainly will not Die." God knows well that when you eat of it your Eyes will be opened and you will be like gods, who know good and evil." Consequently, they rejected a God-centered life and chose a self-centered life.
3. Thinking about evil requires thinking about Free will. Humans have the ability to freely Receive God's love and to enter into Communion with him and one another, but also to Refuse God. There is no evil in God, but he Allowed the reality of sin and evil. If there were no Freedom and opportunity to choose, you would be like a Puppet or action figure that God manipulated.
4. True or False? Both humans and angels can choose to move toward God or away from him.
true
5. True or False? Devils and demons are names for angels and humans who reject God radically and choose evil.
false
6. True or False? Satan is equal to God in power.
false
7. Explain why God permits Satan to injure people physically and spiritually.
God permits this because it is the price for making free and intelligent creatures
8. True or False? By restricting the one tree in the garden, God made Adam free to love God or reject God.
true
9. The expulsion from paradise reflects the tragic consequences of Adam and Eve's disobedience: loss of intimacy with God, within themselves, with each other, and with all of creation. They lost everything that derived from the intimacy they shared with God: their place in paradise, original grace, original holiness, and original justice.
10. True or False? Adam and Eve's personal sin affected human nature, which has been passed down through the generations.
true
11. True or False? Original Sin is "committed" by human beings rather than "contracted."
false
12. What was Pelagianism? Why is it a heresy?

Pelagianism is a heresy which said that people could lead morally good lives without God's help because of their natural powers of free will
