Jesus Manifesto Leonard Sweet:

Jesus Manifesto Leonard Sweet, Frank Viola, 2010-05-30 Jesus Manifesto presents a fresh unveiling of Jesus seeking to restore the supremacy and sovereignty of Christ in a world and a church that has lost sight of Him Christians have made the gospel about so many things things other than Christ Religious concepts ideas doctrines strategies and methods that begin to eclipse the beauty the glory and the reality of the Lord Jesus Himself We know a lot about our Lord but we don't know Him very well We know a lot about trying to be like Jesus but very little about living by His indwelling life Jesus Manifesto provides clarity on the most important points of our faith It is a prophetic call to restore the supremacy and sovereignty of Christ in a world and church that has lost sight of Him This manifesto emphasizes ten crucial areas of restoring the supremacy of Jesus Christ noting Christians don't follow Christianity they follow Christ Christians don't proclaim themselves they proclaim Christ Christians don't point people to core values they point people to the Cross Christians don't preach about Christ they preach Christ Read this book to see your Lord like you've never seen Him before and restore the sovereignty of Jesus in your life

how the passion that Starbucks has for creating an irresistible experience can connect you with God's stirring introduction to the experience of faith in The Gospel According to Starbucks You don't stand in line at Starbucks just to buy a cup of coffee You stop for the experience surrounding the cup of coffee Too many of us line up for God out of duty or guilt We completely miss the warmth and richness of the experience of living with God If we'd learn to see what God is doing on earth we could participate fully in the irresistible life that he offers You can learn to pay attention like never before to identify where God is already in business right in your neighborhood The doors are open and the coffee is brewing God is serving the refreshing antidote to the unsatisfying arms length spiritual life and he won't even make you stand in line What Matters Most Leonard Sweet,2012-03-13 Belief can exist in isolation but faith requires a relationship Why wade in the shallows of belief when you can plunge into the depths of faith Belief involves a different way of thinking but faith brings about a new way of living It grows through direct experience and a close relationship both of which come as you follow Jesus As Christians we often talk about developing a personal relationship with Christ but instead of pursuing a relationship we pursue knowledge We are tempted to place confidence in our definite settled beliefs which offer a pale substitute for the daily adventure of an honest relationship with Jesus In What Matters Most Leonard Sweet presents a challenging and compelling approach to belief that is joined by dynamic engagement with God You are invited to explore the uncharted regions of faith by following Jesus completely on his terms Once you begin you will never go back to mere belief **Jesus Speaks** Leonard Sweet, Frank Viola,2016-08-09 Are you hungry to hear God's voice but don't know how Jesus Speaks teaches readers how to listen for the voice of Jesus and how you can grow in your ability to recognize and respond to his voice daily While the Lord frequently speaks to us we don't really hear his voice until we recognize it In Jesus Speaks Sweet and Viola unpack the many ways the Lord speaks to his people today by exploring how the disciples interacted with the risen Jesus from the Gospels to Revelation They demystify the process in a warm practical way providing insights on how you can recognize the voice of Jesus in your own life Separated into two sections the first provides a big picture look at how the resurrected Jesus spoke in the New Testament while the second contains short actionable chapters filled with scriptural quotes and references Both sections work together to help you recognize and respond to the voice of Jesus in your everyday life Readers will be able to Gain a firm foundation in the scriptures learning how Jesus spoke to his disciples Dispel myths and misinformation surrounding what it means to hear the voice of Jesus today Grow the ability to recognize God's voice and learn how to respond Essential for Christians seeking to improve their relationship with Jesus Jesus Speaks is the long awaited third volume in the JESUS trilogy Jesus Manifesto Jesus A Theography and Jesus Speaks *NIV, Once-A-Day: Bible for Leaders* Zondervan,2012-11-06 With this NIV Once A Day Bible for Leaders you can read through the Bible in a year Or at your own pace Now you can practice the spiritual discipline of daily Bible reading with a special focus on leadership Plus you can read at your own pace Want a reading plan that will take you through the Bible in a year You got it with check boxes and all Don't want the guilt of

Sweet, 2012 Discusses how social media resources can be used to enhance relationships with fellow Christians and with God ReGrace Frank Viola, 2019-03-05 The church is tired of seeing Christians act ungraciously toward one another when they disagree Social media has added to the carnage Christians routinely block each other on Facebook because of doctrinal disagreements The world watches the blood letting and the Christian witness is tarnished But what if every Christian discovered that their

favorite teacher in church history had blind spots and held to some false and even shocking views Bestselling author Frank Viola argues that this simple awareness will soften Christians when they interact with each other in the face of theological disagreements In ReGrace he uncovers some of the shocking beliefs held by faith giants like C S Lewis Luther Calvin Moody Spurgeon Wesley Graham and Augustine not to downgrade or dismiss them but to show that even the greats in church history didn't get everything right Knowing that the heroes of our faith sometimes got it wrong will empower us to treat our fellow Christians with grace rather than disdain whenever we disagree over theology

Revise Us Again Frank Viola, 2011-04-01 Every person follows a script for living a life guide that directs our behavior and shapes our choices As believers we find the original script for living woven throughout the Bible Yet while the Christian message is simple it can become complicated by our environment our culture and our religious ideas and traditions For this reason we are all in constant need of revising the scripts by which we live Author Frank Viola believes we need to revisit and revise what it means to live the Christian life Drawing from his rich background in ministry Viola examines ten key areas that impact every believer and explores fresh ways to revise them Conversational insightful and practical *Revise Us Again* encourages us to examine those religious habits that we unconsciously pick up from others and rescript them with new habits that line up with our new nature in Christ

The Worship Journey Andy Park, 2010-11 Worship is mystical Worship is practical Worship changes you your dreams and your priorities I met Jesus in my teens and I couldn't resist tagging along with the most attractive person I've ever met He took me by the hand and led me on a wonderful adventure He showed me a world that I didn't know existed Jesus is not only a co-adventurer he is the path and the guide and the fuel and the goal This adventurous worship life is full of breathtaking vistas risky mountain passes and challenging climbs Come along for the ride Read *The Worship Journey*

Insurgence Frank Viola, 2018-06-05 Why does the allegiance that radical terrorists give to their false cause exceed the allegiance that most Christians today give to Jesus Christ In *Insurgence* bestselling author Frank Viola presents a radical proposal for Christians Namely that we have lost the explosive earthshaking gospel of the kingdom that

Jesus Paul and the other apostles preached Viola argues that we've lost this dynamic titanic living gospel and exchanged it for a gospel of religious duty or permissiveness and easy believism In today's politically charged era Christians on the progressive left as well as the conservative right both equate their particular viewpoints with the kingdom of God Viola challenges and dismantles these perspectives offering a fresh and revolutionary look at the gospel of the kingdom Viola writes with gripping power challenging Christians to embrace an unparalleled allegiance to Jesus Christ and his kingdom This high octane message is being reclaimed today launching a spiritual insurgence *11 Genetic Gateways to Spiritual Awakening* Leonard Sweet,1998 Leonard Sweet uses the metaphor of genetic mapping to explore the possibilities and shortfalls of Wesleyanism in the US He asks What is the genetic code of the Wesleyan movement What genes are contained in this movement and fellowship pioneered by John Wesley What keys unlock the inner spiritual dynamics of the Wesleyan tradition This workbook contains questions and exercises on the genetic codes for the Wesley way to God **Reimagining Church** Frank Viola,2008 Author Frank Viola presents a compelling case for a new kind of church based on the model for fellowship found in Acts Redefine expectations and reimagine a life changing church Post-modern Pilgrims Leonard I. Sweet,Leonard Sweet,2000 Written to those with a first century passion for the twenty first century church keeping the past and future in perpetual conversation so every generation anchors to the faith that was once for all delivered

AquaChurch Leonard I. Sweet,Leonard Sweet,1999 In this latest and most accessible work from church historian futurist and best selling author Leonard Sweet church leaders will discover the leadership arts that are essential in today's ever changing culture The author provides thought provoking yet practical skills that will elevate the scope of ministry from mere survival of daily challenges to thriving in today's culture He vividly portrays the new paradigms facing churches and illustrates the need to become an AquaChurch in order to effectively minister in our fluid postmodern culture The author includes a personal log questions and ideas that help apply personal thoughts as related to the new paradigms And each chapter concludes with a ship's log ideas and activities that encourage group discussion and evaluation with church leaders It provides an excellent platform for pastors and their entire church leadership to improve the effectiveness of their ministry This book not only challenges leaders to think in broader terms but it provides practical strategies for making specific and meaningful changes in how they minister to their communities They'll discover how to be relevant to an ever changing culture with the unchanging gospel of Jesus Christ Slaves to Faith Calvin Mercer,2009-04-30 As Dr Mercer posits the fundamentalist is fundamentally driven by anxiety layered over a fragile sense of self identity constructed upon a system of beliefs that is both logically inconsistent and highly suspect in light of modern science As a result the fundamentalist completely rejects modernity while battling mightily in the arena of national politics and culture to bring about a world that aligns more closely with the fundamentalist worldview Focusing on Christian fundamentalists the author puts Christian fundamentalism in its historical and theological contexts At the same time Mercer calls upon cognitive theory to explain that

the fundamentalist's life story is not particular to Christianity or any other religious belief system but that fundamentalist Catholics Muslims Jews and those of all other faiths share a common psychological profile Indeed Mercer insists that if the Christian terminology were eliminated from contemporary fundamentalist Christian rhetoric what would remain would be a framework that fundamentalists from other religions would find quite familiar and even comforting In other words the structure of the fundamentalist worldview and the psychology beneath it is pretty much the same across religions It is a controversial thing to say about Christian fundamentalism a thesis that has already proved contentious in the author's public appearances and one that is sure to generate considerable attention and passionate debate as the U S populace continues to divide into opposing camps *Soulsalsa* Leonard Sweet, 2002-04-10 Leonard Sweet's manifesto on spiritual living in a changing postmodern world insists that a cutting edge future is now philosophy is the way the church will survive and grow in the 21st century
