Herb Mather, Center for Christian Stewardship. **Field Guide for Small Group Leaders** Sam O'Neal, 2012-06. The Field Guide for Small Group Leaders focuses in on the small group gathering as spiritual event. Useful to newly minted leaders and as a ready resource for small group experts, this goes to guide from smallgroups.com managing editor Sam O'Neal will help you prepare your group for the adventure of a collective encounter with God. The Field Guide for Small Group Leaders Sam O'Neal, 2023-06-06. The Field Guide for Small Group Leaders provides basic training and support to help small group leaders succeed in the critical mission of leading others toward spiritual growth and transformation. The premise of serving as a small group leader sounds simple: Invite people to join you in studying the Bible. But the real world implications of that role are incredibly complex. Today's small group leaders are asked to function as semi-experts in theology, psychology, evangelism, worship, apologetics, counseling, education, and nutrition, all in service to God and His church. Most of today's group leaders receive little or no training on how to carry out this important work. They are told to Go and make disciples, then left to figure out the details on their own. Sam O'Neal, a small group leader himself, wrote The Field Guide for Small Group Leaders to help fellow leaders navigate this confusion and map out a plan for successful transformational and rewarding meetings. The Field Guide provides helpful information on Curriculum and planning, Learning styles, Icebreakers and learning activities, Crafting discussion questions, Worship and prayer, What to do when things don't go as planned, And more. Whether you lead a small group, life group, or Sunday school class, this guide will give you confidence and practical tools for fostering meaningful connections, genuine community, and spiritual growth that so many are desperate for. Field Guide for Small Group Leaders Sam O'Neal, 2012-03-22. There are countless helpful resources available to the small group leader. As managing editor of smallgroups.com, Sam O'Neal has seen the best of them come and go. They tend to deal with the big vision of small groups: how they can revolutionize your church and transform your congregation. Or they consider the big idea of small group ministry: how it reflects God's communal vision for us. But sometimes a small group leader just wants to know how to survive the next meeting, not how to instruct and correct or shock and awe, but simply how to set the table for a life-changing encounter with God. The Field Guide for Small Group Leaders focuses in on the small group gathering as spiritual event. Useful to newly minted leaders and as a ready resource for small group experts, this goes to guide helps leaders prepare themselves to prepare their groups for the adventure of a collective encounter with a great God. **Small Church Essentials** Karl Vaters, 2018-03-06.
