out with my family as much as possible Britain's Flirtation with the Socialist Imaginary Chris Wilkes,2024-05-09 In 1945 Winston Churchill fresh from winning World War Two for Britain called an election Within days he was thrown out and a completely new form of government took hold What followed was a revolutionary period in British history in which centuries of tradition were questioned Socialism appeared to be waiting in the wings This book traces the origins of this transformation in the long history of British democracy It examines the ideas and actions which began in the 1930s that enabled this revolution and the new society that emerged beyond its origins and into the 21st Century The problems that this revolution sought to solve remain to this day as the British government in 2024 wrestles with strikes social disorder and massive economic headwinds Understanding the history of the present dilemmas is essential if we are to grapple successfully with the enduring problems Britain still faces to this day **Bevan** Clare Beckett,Francis Beckett,2004 Bevan s crowning achievement was the creation of the British National Health Service though he was one of few who dared criticise Churchill s leadership during the Second World War he led the left wing of the Labour Party The Bevanites *A Very British Family* Laura Trevelyan,2012-11-10 It is a rule that no Trevelyan ever sucks up either to the press or the chiefs or the right people The world has given us money enough to enable us to do what we think is right We thank it for that and ask no more of it but to be allowed to serve it G M Trevelyan The Trevelyans are unique in British social and political history a family which for several generations dedicated themselves to the service and chronicling of their country Often eccentric priggish high minded and utterly self regarding they have nonetheless left their mark on our past This engaging history dispassionately explores the lives and achievements of this unique family and the part they played in shaping the history of Great Britain From their inauspicious beginnings in a small dwelling in Cornwall to the present day some Trevelyans have been famous and distinguished others less so but for a hundred years from the mid nineteenth to the mid twentieth century family members from Lord Macaulay to G M Trevelyan contributed to both the writing and the making of history This book is primarily the tale of the five men who flourished during this period Charles Edward George Otto Charles Philips George Macaulay and Humphry Trevelyan and the clever and formidable women they married Including many vivid portraits of the most influential members of this remarkable family The Trevelyans casts light on the period of enormous social and cultural change in which they lived and examines why they chose not to simply exploit their position as landed gentry but instead to take their place at the centre of scholarship and politics *A Historical Dictionary of British Women* Cathy Hartley,2013-04-15 This reference book containing the biographies of more than 1 100 notable British women from Boudicca to Barbara Castle is an absorbing record of female achievement spanning some 2 000 years of British life Most of the lives included are those of women whose work took them in some way before the public and who therefore played a direct and important role in broadening the horizons of women Also included are women who influenced events in a more indirect way the wives of kings and politicians mistresses ladies in waiting and society hostesses Originally published as The Europa Biographical Dictionary of British

Women this newly reworked edition includes key figures who have died in the last 20 years such as The Queen Mother, Baroness Ryder of Warsaw, Elizabeth Jennings and Christina Foyle. **Biographical Dictionary of Scottish Women** Elizabeth L. Ewan, Sue Innes, Sian Reynolds, Rose Pipes, 2007-06-27 This single volume dictionary presents the lives of individual Scottish women from earliest times to the present. Drawing on news, scholarship and a wide network of professional and amateur historians, it throws light on the experience of women from every class and category in Scotland and among the worldwide Scottish diaspora. The *Biographical Dictionary of Scottish Women* is written for the general reading public and for students of Scottish history and society. It is scholarly in its approach to evidence and engaging in the manner of its presentation. Each entry makes sense of its subject in narrative terms, telling a story rather than simply offering information. The book is as enjoyable to read as it is easy and valuable to consult. It is a unique and important contribution to the history of women and Scotland. The publisher acknowledges support from the Scottish Arts Council and the Scottish Executive Equalities Unit towards the publication of this title. **The Twinless Twin** J. Lutz, 2020-12-17 Many wonderful books have been written for children on the death of a family member, but this is the first of its kind to be written for twins who have lost their other half. Often the surviving twin feels lonely and abandoned without understanding why. In some cases the family isn't even aware of the trauma that the survivor faces. This precious story tells about one identical twin and what she experienced when her sister died. It is a spiritual journey to heaven and back as you learn how one child went deep within her heart to find the answers to life's most baffling questions: what happens when we die? Is there life after death? Are we eternal beings? And why are we here? **Aneurin Bevan: A Biography** Michael Foot, 2011-10-06 Michael Foot's two-volume biography of Aneurin Nye Bevan (1897-1960), arguably Britain's greatest socialist, indelibly associated with the founding of the National Health Service, is one of the major political biographies of the last century. It is the life of an inspirational politician written by one who knew and unabashedly admired him. Volume II, first published in 1973, begins with Bevan's role in the founding of a comprehensive National Health Service, while he was also tasked with addressing the country's severe post-war housing shortage. It takes in his 1951 resignation from the cabinet in protest at the introduction of prescription charges and his subsequent leadership of a Bevanite Labour left. His publication in 1952 of *In Place of Fear*, his service as Shadow Foreign Secretary during the Suez crisis in 1956, his controversial reversal of opposition to nuclear weapons in 1957, and his death from cancer in 1960. Complete Repertoire of the Songs, Ballads, and Plantation Melodies, Sung by the ... Christy Minstrels ... The Three Hundred and Twentieth Thousand CHRISTY MINSTRELS., 1871 **Women of Westminster** Rachel Reeves, 2020-03-05 Foreword by Dame Winifred Mary Beard. This updated edition is a complete account of the first 100 years of women in Parliament. In 1919 Nancy Astor was elected as the Member of Parliament for Plymouth Sutton, becoming the first woman MP to take her seat in the House of Commons. Her achievement was all the more remarkable given that women and even then only some women had only been entitled to vote for just over a year. In the past 100 years a total of 491 women

have been elected to Parliament Yet it was not until 2016 that the total number of women ever elected surpassed the number of male MPs in a single parliament The achievements of these political pioneers have been remarkable Britain has now had two female Prime Ministers and women MPs have made significant strides in fighting for gender equality from the earliest suffrage campaigns to Barbara Castle s fight for equal pay to Harriet Harman s recent legislation on the gender pay gap Yet the stories of so many women MPs have too often been overlooked in political histories In this book Rachel Reeves brings forgotten MPs out of the shadows and looks at the many battles fought by the Women of Westminster from 1919 to 2019
