Paul B. Duff

Jesus Connection 2014 Template:

Jesus Followers in the Roman Empire Paul B. Duff, 2017 When Jesus of Nazareth began proclaiming the kingdom of God early in the first century he likely had no intention of starting a new religion especially one that included former pagans Yet a new religion did eventually develop one that not only included non Jews but was soon dominated by them How did this happen Jesus Followers in the Roman Empire by Paul Duff offers an accessible and informed account of Christian origins beginning with the teaching of Jesus and moving to the end of the first century Duff s narrative shows how the rural Jewish movement led by Jesus developed into a largely non Jewish phenomenon permeating urban centers of the Roman Empire Paying special attention to social cultural and religious contexts as well as to early Christian ideas about idolatry marriage family slavery and ethnicity Jesus Followers in the Roman Empire will help readers cultivate a deeper understanding of the identity beliefs and practices of early Christ believers **Cartographies of Madrid** Silvia Bermudez, Anthony L. Geist, 2019-05-28 One of this book s goals is to evaluate the complex ways that Madrid has served as the political economic and cultural capital of the Global South from the end of the Franco dictatorship to the present The other is to examine the city as lived experience where citizens contest capital s push to shape urban space in its own image through activities of the imagination Scholars investigative journalists political activists and a filmmaker combine to document the vast array of Madrid s grassroots movements *Understanding Theories of Religion* Ivan Strenski, 2015-02-09 Featuring comprehensive updates and additions the second edition of *Understanding Theories of Religion* explores the development of major theories of religion through the works of classic and contemporary figures A new edition of this introductory text exploring the core methods and theorists in religion spanning the sixteenth century through to the latest theoretical trends Features an entirely new section covering religion and postmodernism race sex and gender and religion and postcolonialism Examines the development of religious theories through the work of classic and contemporary figures from the history of anthropology sociology psychology philosophy and theology Reveals how the study of religion evolved in response to great cultural conflicts and major historical events Student friendly features include chapter introductions and summaries biographical vignettes a timeline a glossary and many other learning aids *Re-imagining Periphery* Charlotta Hillerdal, Kristin Ilves, 2020-06-30 This edited volume delves into the current state of Iron Age and Early Medieval research in the North Over the last two decades of archaeological explorations theoretical vanguards and introduction of new methodological strategies together with a growing amount of critical studies in archaeology taking their stance from a multidisciplinary perspective have dramatically changed our understanding of Northern Iron Age societies The profound effect of 6th century climatic events on social structures in Northern Europe a reintegration of written sources and archaeological material genetic and isotopic studies entirely reinterpreting previously excavated grave material are but a few examples of such land winnings The aim of this book is to provide an intense and cohesive focus on the characteristics of contemporary Iron Age research

explored under the subheadings of field and methodology settlement and spatiality text and translation and interaction and impact Gathering the work of leading established researchers and field archaeologists based throughout northern Europe and in the frontline of this new emerging image this volume provides a collective summary of our current understandings of the Iron Age and Early Medieval Era in the North It also facilitates a renewed interaction between academia and the ever growing field of infrastructural archaeology by integrating cutting edge fieldwork and developing field methods in the corpus of Iron Age and Early Medieval studies In this book many hypotheses are pushed forward from their expected outcomes and analytical work is not afraid of taking risks thus advancing the field of Iron Age research and also hopefully inspiring to a continued creation of new knowledge

Methodology in the Use of the Old Testament in the New David Allen, Steve Smith, 2019-09-19 This volume brings together scholars of both the Old and New Testaments to discuss three areas of methodological interest in respect of the use of the Old Testament in the New OT NT It begins with an interdisciplinary conversation into insights that OT NT scholars might glean from other related disciplines and approaches The subsequent essays consider the notion of an Old Testament text's context and how contemporaneous authors such as Philo or the Qumran community conceived of and attended to the concept The contributors then turn their focus to the criteria that can should be used for determining Old Testament allusions or echoes and the legitimacy for so doing particularly responding to the work of Richard Hays The volume closes with a fresh proposal for OT NT methodology along with a concluding reflection on the collected essays

An Index of Images in English Manuscripts from the Time of Chaucer to Henry VIII, C. 1380-c. 1509 Lynda Dennison, 2018 This is the eighth volume in a continuing series of publications listing and identifying all illustrations contained in English manuscripts from the time of Chaucer to Henry VIII The present fascicle is the first of two which catalogues manuscripts of the College libraries of the University of Oxford It includes entries for 310 manuscripts for eleven of the colleges It is the first such study to be undertaken describing all decorative aspects of English manuscripts in Oxford college libraries in the period and it includes 176 manuscripts not recorded by Alexander and Temple and many not previously researched from the viewpoint of pictorial information Scribes working in pen and ink rather than pictorial decorators with colours and gold were responsible for much of the inventive imagery which equals that in miniatures in pigment Pen and wash drawings are also represented as well as fully painted miniatures which are mostly confined to devotional books in this Index The entries in the catalogue note the subject matter of every illustration in each manuscript from full page miniatures and historiated initials to marginalia added drawings and nota bene signs A comprehensive index of pictorial subjects provides readers with complete references to the pictorial content with thematic groupings The volume includes a user's manual an extensive glossary of subjects and terms and indexes of authors texts and manuscripts with coats of arms There are forty four black and white illustrations
