The Point of Church Steven Weems, 2021-07-02 What's the point of going to church Why get up so early in the morning put on a bunch of uncomfortable clothes sing the same songs give away your hard earned money shake hands with people you don't really even know and sometimes don't even like and end up wasting your entire Sunday morning Why do people put themselves through this on a weekly basis This book is meant to help people understand that there is a point to church a perfectly logical reason millions of people attend worship services around the world every week and a reason men and women have dedicated their lives to serve in their local churches There's a reason people sell everything they own and fly halfway around the world to start churches in cultures they know nothing about Read this book with an open mind and an open heart and you will discover that there is a point to church **Camp Sage and Sand** Richard C. Smith, 2022-09-29

Being in the right place at the right time At 34 years old Melvin Van Alan worries that his life has about reached the half way mark and he is yet to do something significant with it Then an appealing radio commercial sparks his interest and he suddenly decides he wants to teach writing as a summer camp volunteer After all he is a New York public relations expert and he knows young people would benefit from the value of his experience This is just the beginning of a series of innocent blunders Mel makes as he takes on the challenges of counselor at Camp Sage and Sand a Christian boy's camp in Indian

country near Cortez Colorado From his first hour as counselor Mel is thrust into one situation following another that totally forces him out of his comfort zone Yet he struggles to win each challenge with the help of his newly made friends on staff who call on God at every turn and demonstrate to this puzzled Jewish newcomer that they know how to put their Christian faith to work Mel starts to hate then comes to like and then love the hot dry surroundings and the overall purpose of the camp for disadvantaged youth In the biggest public relations scheme he has ever proposed he gambles to save the land of Camp Sage and Sand from being taken over by officials connected with the federal government It does appear God has placed Mel in the right place at the right time to help secure the future of a little mission camp in Colorado From Nightmares to Sweet Dreams Mark I.
