PREFACE WHEN we first announced our intention of publishing a translation of this work we were unaware that it had ever appeared in English before it was inserted in the New York Truthseeker by Scholasticus This able and learned writer who has since published his translation with other highly interesting matter under the title of Revelations of Antichrist concerning Christ and Christianity Boston J P Mendum New York D M Bennett 1879 supposed that he was the first who introduced it to the English speaking world He was however mistaken We have quite recently lighted on a translation published by Richard Carlile in 1823 It was done by a Jew who stated that it had never before been wholly translated into any modern language He appears to have been right in this statement as the earliest continental translation we can trace is in German and was published at Stuttgart in 1850 in a volume together with the Apocryphal Gospels by Dr R Clemons No copy of the Richard Carlile edition the Hebrew translator does not give his name is to be found in the British Museum It is a sixteen page octavo pamphlet with an Editor s Preface probably by Carlile himself and a Dedication by the translator To the Clergy of the Church of England His English text is substantially the same as that now published Some of its phrases are rough and racy possibly owing to his strict adherence to the original and instead of veiling in Latin the amours of Pandera and Miriam he relates them in plain English with Biblical na vit The Sepher Toldoth Jeshu was first published in Latin with the Hebrew text in parallel columns by J C Wagenseil in his Tela Ignea Satanae a collection of Jewish Anti Christian tracts all translated into Latin with attempted refutations To collect these valuable tracts Wagenseil travelled widely through Spain and into Africa where the chief centres of Jewish learning then existed His work was published at Altdorf in 1681 A later and widely different version the Sepher Toldoth Jeshu ha Nozri History of Jesus of Nazareth was published by J J Huldreich at Leyden in 1705 It is certainly a more modern version of the Jeshu story Interpolations are found referring to Worms and the people of Germany and the narrative abounds with capricious phantasies that belong to the superstition of a later age A shorter and earlier version of the Jeshu story was probably used by Luther and condensed in his Schem Hamphoras although Mr Gould considers that the only Toldoth Jeshu he was acquainted with was that afterwards published by Wagenseil Luther was stung by it into a characteristic fit of vituperation as the following passage will show The haughty evil spirit jests in the book with a threefold mockery First he mocks God creator of heaven and earth with his son Jesus Christ as you may see for yourself if you believe as a Christian that Christ is the son of God Secondly he mocks all Christendom because we believe in such a son of God

Thirdly he mocks his own Jews by giving them such a scandalous foolish doltish thing about brazen dogs and cabbage stalks etc which would make all dogs bark to death if they could understand it at such raving ranting senseless foaming mad fools Is not this a master of mocking who can effect three such great mockeries The fourth mockery is that herewith he has mocked himself as we shall one day to our joy see thank God Werke Wittemberg 1566 vol v p 515

**The Words and Works of Jesus Christ** J. Dwight Pentecost,2016-10-04 The life of Jesus Christ takes on fresh clarity and meaning in this masterful work by Dwight Pentecost The words the miracles and overarching message of the Messiah come alive in flowing and detailed chronology set against the cultural political and religious setting of his day The Words and Works of Jesus Christ will give you a new and deeply biblical understanding of Why Jesus came How he operated What he accomplished Above all you ll acquire a deeper appreciation for the love that guided his path beginning in a manger in Bethlehem leading through three and a half years of ministry that ended abruptly at the cross on Golgotha and blazing forth in eternal triumph at the resurrection Drawing liberally on the works of others who have written about Christ such as Alfred Edersheim J W Shepherd W Graham Scroggie and Frederick Faraar Dr Pentecost reveals in his own writing a familiarity with the subject that comes from years of teaching Yet he writes not as one who knows all there is to know about Christ but with the restraint of one who knows that Jesus is to be worshiped and adored as the great King and that no book can do more than begin to tell all the wonders of his being and his love Journey with him on this study of the life of Christ
