Ethos, Pathos, & Logos in John F. Kennedy's Inaugural Address Speech in 1961

Directions: In each box below, write whether each phrase is ethos, pathos, or logos. Then, explain what words confirm this.

Segment from Speech	Ethos, Pathos, or Logos?	What Words Support This?
<p>Vice President Johnson, Mr. Speaker, Mr. Chief Justice, President Eisenhower, Vice President Nixon, President Truman, Reverend Clergy, fellow citizens:</p> <p>We observe today not a victory of party but a celebration of freedom – symbolizing an end as well as a beginning – signifying renewal as well as change. For I have received before you and Almighty God the same solemn oath our forebears prescribed nearly a century and three quarters ago.</p>	Ethos	<p>Kennedy establishes credibility by referencing past presidents and public figures, showing respect for tradition and continuity. He also reinforces his integrity by invoking his oath before God, aligning himself with historical leaders and emphasizing his duty to uphold democracy.</p>
<p>The world is very different now. For man holds in his mortal hands the power to abolish all forms of human poverty and all forms of human life. And yet the same revolutionary beliefs for which our forebears fought are still at issue around the globe – the belief that the rights of man come not from the generosity of the state but from the hand of God.</p>	Logos	<p>He presents a logical contrast between technological advancements and enduring democratic principles, arguing that human rights remain fundamental despite change.</p>
<p>We dare not forget today that we are the heirs of that first revolution. Let the word go forth from this time and place, to friend and foe alike, that the torch has been passed to a new generation of Americans – born in this century, tempered by war, disciplined by a hard and bitter peace, proud of our ancient heritage – and unwilling to witness or permit the slow undoing of those human rights to which this nation has always been committed, and to which we are committed today at home and around the world.</p>	Pathos	<p>He appeals to national pride and a sense of duty, evoking strong emotions by reminding Americans of their revolutionary heritage and the responsibility of the new generation to uphold human rights.</p>
<p>Let every nation know, whether it wishes us well or ill, that we shall pay any price, bear any burden, meet any hardship, support any friend, oppose any foe to assure the survival and the success of liberty.</p>	Pathos	<p>He inspires a sense of duty, unity, and resilience by portraying the U.S. as unwavering in its commitment.</p>
