## **Jihadi Discourse In The Wake Of The Arab Spring:**

*Jihadi Discourse in the Wake of the Arab Spring* U. S. Military U.S. Military Academy, 2014-11-12 The fall of dictators brought about by the initial wave of the Arab Spring is an aspiration many Arabs dreamed about prayed for or attempted to pursue through political channels an exercise that for decades seemed futile The jihadis did not settle for dreaming or praying although there is no shortage of either in the jihadi cultural universe Convinced by the futility of peaceful reforms they set out on the path of jihad intent on bringing down dictators and fighting against the Western countries that they believed supported these dictators 1 For decades jihadis despite their differences have been in agreement that jihad is the only solution to rid Muslims of their dictators to pave the way for establishing a just society in which God's Law reigns supreme In the words of Ayman al Zawahiri who has been declared by jihadi websites to be Usama Bin Ladin's successor there is no solution except through jihad all other solutions are futile Rather other solutions would only worsen the state of dilapidation and submissiveness in which we live purported solutions that exclude jihad are equivalent to treating cancer with aspirin In doing so unlike Islamist groups that are also driven by Islamic religious teachings of social justice but chose the electoral path to advance their agenda jihadis have rejected the world order of nation states and the state's monopoly on the legitimate use of physical force Instead jihadis have embraced jihad as the primary means of political change But if peaceful protests could bring down Presidents Zayn al Din bin Ali of Tunisia January 2011 and Husni Mubarak of Egypt February 2011 in the seismic phenomenon known as the Arab Spring where does this leave jihadism In view of the unpredictable nature of the events that have characterized the onset and subsequent developments of the Arab Spring a serious attempt to anticipate its future in general and its impact on jihadism in particular is fraught with risks This report therefore avoids addressing ambitious questions such as whether the Arab Spring is a success or a failure and whether it will lead to the demise of jihadism Instead this report analyzes jihadi discourse since the onset of the Arab Spring in order to address two related questions 1 why have global jihadi leaders been struggling to advance a coherent and effective response to the events of the Arab Spring and 2 why despite strong rhetoric of militancy have we witnessed little action on the part of new jihadi groups that have emerged in countries that underwent regime change as a result of the Arab Spring The pertinence of these questions lies in the consequential effects of both the Arab Spring and jihadism on the Middle East and North Africa MENA region Some analysts expressed concern that the instability brought about by the Arab Spring is engendering a fertile ground for jihadis to operate in the region Among others Bruce Hoffman worries that it may create new opportunities for al Qaeda and its allies to regroup and reorganize and even this instability endowed al Qaeda with new relevance In a similar vein others have remarked that there is a causal link between the Arab Spring and the rise of new jihadi groups warning that this may lead to a violent conflict that would destabilize the newly elected regimes Such concerns invariably point to cohesion on both the ideological and operational levels that jihadism is said to enjoy suggesting the

possibility that the Arab Spring serves not only to strengthen but also to enhance its violent output Jihadi Discourse in the Wake of the Arab Spring Nelly Lahoud, Muhammad al- Ubaydi, 2013 This report analyzes jihadi discourse in the wake of the Arab Spring to address two related questions 1 why have global jihadi leaders been struggling to advance a coherent and effective response to the events of the Arab Spring and 2 why despite strong rhetoric of militancy have we witnessed little action on the part of new jihadi groups that have emerged in countries that underwent regime change i e Tunisia Egypt and Libya as a result of the Arab Spring To answer these questions this study focuses on original Arabic sources in the form of public statements released by global jihadi leaders in response to the Arab Spring and by new groups projecting a jihadi worldview that have emerged in Tunisia Egypt and Libya It reveals that the factors that are causing the current ideological incoherence of jihadism are the same factors that had once served as the cornerstone of its plausibility in the eyes of its adherents As to new jihadi groups this study highlights the inconsistency between their rhetoric and their actions While they uphold the principle of the obligation of jihad advance anti democratic rhetoric using religious arguments and lionize global jihadi leaders and their causes for now these new jihadi groups are characterized more by the propaganda of jihad than by its delivery Jihadi Discourse in the Wake of the Arab Spring Nelly Lahoud, 2022 **Jihadi Discourse in the Wake of the Arab Spring - Islamic Militancy, Terrorism, Tunisia, Egypt, Libya, Mubarak, Syria, ISIS, ISIL, Muslim Leaders, Salafis, Jihadism, Osama Bin Ladin** U. S. Military, Department of Defense (DoD), Combating Terrorism Center at West Point, U. S. Government, 2017-05-07 This report analyzes jihadi discourse in the wake of the Arab Spring in order to address two related questions 1 why have global jihadi leaders been struggling to advance a coherent and effective response to the events of the Arab Spring and 2 why despite strong rhetoric of militancy have we witnessed little action on the part of new jihadi groups that have emerged in countries that underwent regime change i e Tunisia Egypt and Libya as a result of the Arab Spring To answer these questions this study focuses on original Arabic sources in the form of public statements released by global jihadi leaders in response to the Arab Spring and by new groups projecting a jihadi worldview that have emerged in Tunisia Egypt and Libya Regional jihadi groups that were established prior to the Arab Spring are not the focus of this study This study reveals that global jihadi leaders are struggling to define clearly and consistently their ideological framework in the aftermath of the Arab Spring More precisely the factors that are causing the current ideological incoherence of jihadism are the same factors that had once served as the cornerstone of its plausibility in the eyes of its adherents This study identifies several weaknesses in the discourse of global jihadi leaders that highlight the nature of the challenges they face in the wake of the Arab Spring These include the paradoxical position of the deed of spectating the jihadis have always prided themselves on action i e on the deed of jihad and in so doing they gained the attention of the world community Yet in the initial phase of the Arab Spring the jihadis found themselves not as actors in but as spectators of the drama of fallen dictators Another related challenge is the once powerful grievance narrative that jihad is the only solution to

rid Muslims of their dictators that jihadi leaders and ideologues had propagated This narrative however is shaken in the wake of the Arab Spring as non violent protest toppled some iconic dictators like Husni Mubarak of Egypt and Zein al Abidin bin Ali of Tunisia The most glaring weakness of current jihadi discourse has to do with the fact that after the fall of dictators people have chosen a political path that is irreconcilable with the jihadi worldview and have become the object of jihadi resentment Thus the jihadis once powerful grievances articulated against dictators are now reduced to soliloquies criticizing the people

Handbook of Middle East Politics Shahram Akbarzadeh,2023-10-06 This Handbook uses a comprehensive study of political institutions social movements and external pressures to offer nuanced study of politics in the Middle East Foremost scholars on the Middle East examine key themes such as political change regional rivalry and authoritarianism making this collection very timely and relevant as an authoritative source

*Salafism in Jordan* Joas Wagemakers,2016-09-15 Salafism in Jordan debunks stereotypes and presents the diversity of Salafism on a range of political and ideological issues

**Neoliberal Governmentality and the Future of the State in the Middle East and North Africa** Emel Akçalı,2016-01-26 This volume is a theoretical analysis of the current crises of state and societal transformations in the Middle East and North Africa The emphasis on the impact and limits of neoliberal governmentality places these uprisings within the specific contextual and structural environment of neoliberal globalization

**Reconciling Cultural and Political Identities in a Globalized World** Michális Michael,2016-04-29 Though geographically far apart Turkey and Australia are much closer than many would think This collection provides a relevant comparative and comprehensive study of two countries seeking to reconcile their history with their geography

*The Terrorist Image* Charlie Winter,2022-04-22 The summer of 2014 when the Islamic State seized Mosul Iraq s second city captured vast swathes of eastern Syria and declared itself a latter day Caliphate marked a turning point in the history of photography one that pushed its already contested relationship with reality to its very limits Uniquely obsessed with narrative image management and branding the Islamic State used cameras as weapons in its formative years as a Caliphate The tens of thousands of propaganda photographs captured during this time were used to denote policy to navigate through defeat and perhaps most importantly to construct an impossible reality a totalising image world of Salafi Jihadist symbols and myths Based on a deep examination of the 20 000 photographs Charlie Winter collected from the Islamic State s covert networks online in 2017 this book explores the process by which the Caliphate shook the foundations of modern war photography Focusing on the period in which it was at its strongest Winter identifies the implicit value systems that underpinned the Caliphate s ideological appeal and evaluates its uniquely malign contribution to the history of the photographic image The Terrorist Image travels to the heart of what made the Islamic State tick during its prime providing unique insights into its global appeal and mobilisation successes

*Changes in Jihadi Discourse in the Wake of the "Islamic State"* Christina Hartmann,2022-11-10 Changes in Jihadi Discourse in the Wake of the Islamic State explores how the transnational jihadi discourse changed with the development of

the Islamic State terrorist group and resulted in the fragmentation of the jihadi movement From the Middle East through Africa to South East Asia today s jihadi movement is more fragmented than ever Al Qaida and the Islamic State compete not only with each other but also with local jihadi groups Despite the fact that in the wake of the Islamic State international jihadi groups are in fierce competition for supporters little has been said on how the process of competition as well as external events changed the ideology of these groups and the topics relevant to them Countering dominant research focusing on the differences between jihadi strains this book explores how the appearance and temporary strength of the Islamic State changed the topics and talking points of other jihadi actors such as al Qaida By analyzing primary sources in Arabic and English the author sheds light on the inner and inter jihadi discourse and its development over the years The book does not simply describe changes in topics it traces these changes quantitatively and relates them to external events This book is aimed at academics researchers and postgraduate students interested in political science security studies jihadism jihadi discourse al Qaida Islamic State and Salafism as well as practitioners and decision makers in government agencies who wish to understand how transnational jihadi discourse has developed over the previous two decades **Dissent** ,2002

**Middle East International** ,1995 **The Middle East, Abstracts and Index** ,2005 *Alternative Press Index* ,2002

*Discourses of the Arab Revolutions in Media and Politics* Stefanie Ullmann,2021-08-23 Drawing on approaches from critical discourse analysis corpus linguistics and cognitive linguistics this book critically examines metaphorical language used in global media coverage and political statements on the events of the Arab Spring The volume begins by summarising key events of the Arab Spring tracing the development of protests from Tunisia and Egypt to Libya and Syria as well as the wider impact on the region Ullmann builds on this foundation to lay out the theoretical frameworks to be applied to an extensive corpus of natural language and actual discourse highlighting Western Middle Eastern and North African perspectives which integrate theoretical work on metaphor blending theory and semantic prosodies Methodological considerations on corpus selection and different conceptualisations of politics and mass media generally and across countries are discussed with the final chapters outlining the overarching themes across metaphors in the corpus and how these metaphors were ultimately framed in the mass media and political landscape This book will be of particular interest to students and scholars interested in critical discourse analysis language and politics and corpus linguistics New Media Discourses, Culture and Politics After the Arab Spring Eid Mohamed,Aziz Douai,2022-01-27 This book investigates the interplay between media politics religion and culture in shaping Arabs quest for more stable and democratic governance models in the aftermath of the Arab Spring uprisings It focuses on online mediated public debates specifically user comments on online Arab news sites and their potential to re engage citizens in politics Contributors systematically explore and critique these online communities and spaces in the context of the Arab uprisings with case studies largely centered on Egypt covering micro bloggers Islamic discourse online Libyan nationalism on Facebook and a computational assessment of online

engagement among other topics      *Routledge Handbook of the Arab Spring* Larbi Sadiki, 2014-12-17 The self immolation of Mohammed Bouazizi in Tunisia in December 2010 heralded the arrival of the Arab Spring a startling yet not unprecedented era of profound social and political upheaval The meme of the Arab Spring is characterised by bottom up change or the lack thereof and its effects are still unfurling today The Routledge Handbook of the Arab Spring seeks to provide a departure point for ongoing discussion of a fluid phenomenon on a plethora of topics including Contexts and contests of democratisation The sweep of the Arab Spring Egypt Women and the Arab Spring Agents of change and the technology of protest Impact of the Arab Spring in the wider Middle East and further afield Collating a wide array of viewpoints specialisms biases and degrees of proximity and distance from events that shook the Arab world to its core the Handbook is written with the reader in mind to provide students practitioners diplomats policy makers and lay readers with contextualization and knowledge and to set the stage for further discussion of the Arab Spring      **"The Arab Spring": The Political Islam and the Western Media Discourse** Jamal Tahari, 2014-07-28 Political Islam has been criticized and condemned as a potential threat to the diversity and stability of the world peace particularly within the Arab nations The so called Arab Spring brings about radical changes on political and social levels leading to the evolution of Islamic groups as newly and democratically elected entities Western media lenses were not distant and voiceless but they were omnipresent and very close to what was happening in the Arab world especially in North Africa This book is a humble attempt to provide a critical investigation and analysis of Western media discourse towards the ascendancy of political Islam in the Arab world and to shed light on whether this discourse is partial or impartially regarding the new Islamic sovereignty      **Islam and Democracy** Aylin Ünver Noi, 2014-10-02 The electoral success of Islamist parties in the Middle East and North Africa in the wake of the Arab Spring has been welcomed by their Islamist proponents that were under pressure from their former ruling regimes However their success has been met with concerns and fears by secularists and religious minorities in these countries The question of whether this Arab Islamic awakening represents a step forward or backward for human rights and democracy came to the agenda because of the possibility of the marginalization of those rights by fundamentalists religious political parties or groups This book explores changes in the Middle East and North Africa in the aftermath of the Arab Spring by giving a brief history of developments It discusses the types of challenges that these countries have faced and continue to face during their democratic transitions It offers readers a more complete overview of the complex and interrelated aspects of the Arab Spring and the roles of Islam and democracy in these ongoing developments      The Muslim Brotherhood Beverley Milton-Edwards, 2015-12-14 The Muslim Brotherhood is the most significant and enduring Sunni Islamist organization of the contemporary era Its roots lie in the Middle East but it has grown into both a local and global movement with its well placed branches reacting effectively to take the opportunities for power and electoral competition offered by the Arab Spring Regarded by some as a force of moderation among Islamists and by others as a facade hiding a terrorist fundamentalist threat

the potential influence of the Muslim Brotherhood on Middle Eastern politics remains ambiguous The Muslim Brotherhood The Arab Spring and its Future Face provides an essential insight into the organisation with chapters devoted to specific cases where the Brotherhood has important impacts on society the state and politics Key themes associated with the Brotherhood such as democracy equality pan Islamism radicalism reform the Palestine issue and gender are assessed to reveal an evolutionary trend within the movement since its founding in Egypt in 1928 to its manifestation as the largest Sunni Islamist movement in the Middle East in the 21st century The book addresses the possible future of the Muslim Brotherhood whether it can surprise sceptics and effectively accommodate democracy and secular trends and how its ascension to power through the ballot box might influence Western policy debates on their engagement with this manifestation of political Islam Drawing on a wide range of sources this book presents a comprehensive study of a newly resurgent movement and is a valuable resource for students scholars and policy makers focused on Middle Eastern Politics

Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Jihadi Discourse In The Wake Of The Arab Spring full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Jihadi Discourse In The Wake Of The Arab Spring eBooks, including some popular titles.

### **FAQs About Jihadi Discourse In The Wake Of The Arab Spring Books**

**What is a Jihadi Discourse In The Wake Of The Arab Spring PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Jihadi Discourse In The Wake Of The Arab Spring PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Jihadi Discourse In The Wake Of The Arab Spring PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Jihadi Discourse In The Wake Of The Arab Spring PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Jihadi Discourse In The Wake Of The Arab Spring PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
