

The background of the cover features a detailed illustration of various microscopic organisms. In the foreground, there are several large, spherical, yellowish-brown structures, likely representing fungi or algae, with internal orange-red details. A prominent, elongated, branching structure with a reddish-orange core and yellowish exterior extends from the left towards the center. Other smaller, similar spherical structures are scattered throughout the background, some appearing more translucent than others. The overall color palette is dominated by yellows, oranges, and reds against a dark background.
