

The McGraw-Hill Companies

Revised Second Edition

The book cover features a collage of microprocessors. At the top, there's a close-up of a circuit board with several integrated circuits. One prominent chip is a square, gold-colored package with 'intel-pentium' printed on it. Below this, the title 'Microprocessors and Interfacing' is written in a large, bold, dark red serif font. The author's name 'DOUGLAS V HALL' is in a smaller, bold, black sans-serif font. The bottom half of the cover shows a close-up, slightly blurred view of multiple microprocessors mounted on a green printed circuit board.
