Welch,2007-09 Creative in Struggle is the true and frank account of the author s experience of teaching Karen students in a refugee camp on the Thai Burma border It presents actual events but does not reduce them down to a mere chronology Instead it charts a challenging reflection on the frailties of being a helper the weaknesses of being a Westerner and a realization of the lived meaning of spiritual freedom even when they are painful to admit Interspersed between the author s chapters are essays written by the students themselves The essays tell their stories in their words of what it means to be an oppressed and targeted tortured and hunted silenced and displaced people Although the story is an intensely personal one through the articulation of the inner psyche the reader is moved from a safe and distant place of the observer into one which at times feels incredibly close utterly naked and frighteningly vulnerable The reader is compelled to consider the implications of freedom of oppression and of personal responsibility Creative in Struggle brings to the forefront of our minds and to the center of our hearts one unavoidable and self evident truth that their freedom and ours are indeed inextricably linked **Alexander Pope** Alexander Pope,1902 **The Poetical Works of Alexander Pope** Alexander Pope,William Warburton (Bishop of Gloucester),1895
