

An aerial photograph of an archaeological excavation site in Mesopotamia. The landscape is a vast, flat, arid plain with numerous ancient ruins, including walls, foundations, and some standing structures. In the far distance, a prominent, rugged mountain range is visible under a clear blue sky. The ground is a mix of brown earth and light-colored stone or mud bricks. Several small figures of people can be seen scattered across the site, providing a sense of scale to the massive ruins.
