Catalog of Copyright Entries Library of Congress. Copyright Office,1975 *Listen to the Blues!* James E. Perone,2019-02-15 Listen to the Blues Exploring A Musical Genre provides an overview of this distinctly American musical genre for fans of the blues and curious readers alike with a focus on 50 must hear artists albums and subgenres Unlike other books on the blues which tend to focus on musician biographies Listen to the Blues devotes time to the compositions recordings and musical legacies of blues musicians from the early 20th century to the present Although the author references musical structure harmony form and other musical concepts the volume avoids technical language therefore it is a volume that should be of interest to the casual blues fan to students of blues music and its history and to more serious blues fans The chapters on the impact of the blues on popular culture and the legacy of the blues also put the genre in a broader historical context than what is found in many books on the blues The book opens with a background chapter that provides an overview of the history and structure of blues music A substantial encyclopedic chapter that focuses on 50 must hear blues musicians follows as does a chapter that explores the impact on popular culture of blues music and musicians and a chapter that focuses on the legacy of the genre A bibliography rounds out the work
