

The background of the cover is a vibrant sci-fi illustration. A massive, white, cylindrical spaceship with intricate details and glowing orange lights is positioned diagonally across the frame. A bright, fiery orange and yellow energy beam or exhaust plume emanates from a circular opening on its side. In the lower foreground, a lone figure in a blue and white spacesuit stands with their back to the viewer, looking up at the colossal vessel. The sky is a deep teal color, featuring a large, pale blue planet or moon in the upper right and a smaller celestial body below it. The overall style is painterly and dramatic, with a strong contrast between the cool blues and teals of the sky and the warm oranges and yellows of the ship's energy.

Looking @ Life Marshall Marcus, 2015-07-09 I have no specific reason why I began writing short stories at the age of seventy five only a suspicion Seventy five years is a very long time and one accumulates countless experiences many of which lay dormant in ones mind until one day the people in those experiences begin to come together and you have no idea what to do with them They are just memories but there is a story in each and every one of them even though it takes years to realize it So instead of just

letting them sit in my old brain I began putting them together and the result is the collection of short stories in this book I have no idea if they are interesting or not All I know is they could not stay in my mind any longer Thank you for taking the time to read them **Science/Fiction Collections** Lee Ash,2013-08-21 Science Fiction Collections offers different views and attitudes toward Science Fiction and Fantasy Literature and descriptions of a variety of collections Written during a time when Science Fiction and Fantasy writings had just gained widespread popularity it offers suggestions and considerations for approaching any special collection dealing with a relatively new field **Dress & Vanity Fair** ,1929 The Times Law Reports ,1921 **The Law Times Reports** ,1921 Saturday Review of Literature ,1925 The Woman Citizen ,1918
