Mistrals Kiss Urban Fantasy Merry Gentry:

Mistral's Kiss Laurell K Hamilton, 2010-05-05 The time has come for Meredith Gentry to put aside her detective work and fulfill her ultimate obligation to the world of Faerie where her efforts to conceive an heir to the throne of the Unseelie Court are crucial to restoring magic and life itself to the Fey kingdom And though her quest to produce an heir may be full of sensual pleasures it is also fraught with peril the shadows of intrigue stalk the royal court and sabotage lurks at any turn Merry s cousin schemes and plots determined to see her fall But in the once dead gardens of the world of faerie something has re awakened an all powerful malign magic And Merry s own powers have turned wildly dangerously unpredictable As plots and counterplots are hatched and strategies and subterfuges played out the destiny of an entire world turns upon the fortunes of Merry Gentry object of obsession target of treachery and pawn of uncertain fate **A Stroke of Midnight**

Laurell K Hamilton, 2008-12-02 Merry Gentry is not your average private investigator Half human half faerie she s caught in a struggle that threatens not only her life but the lives of those she desires and holds dear Her very existence and her rightful place on the throne of Faerie have long depended on her producing an heir and now after many failed attempts she is pregnant A triumphant moment but revelation follows revelation for Merry carries twins and they have more than one father There are those of her own flesh and blood who want Merry and her unborn children dead but she is a fighter and wields a wild magic And this is her world This is where the magical and the mortal intertwine where folklore fantasy and erotically charged adventure collide **Reading**

Laurell K. Hamilton Candace R. Benefiel, 2011-07-06 This exploration of author Laurell K Hamilton s work examines the many novels of her series and shows how her writing has been a major influence on contemporary visions of the vampire an ideal reference text for book club leaders Long before Twilight achieved epic levels of popularity Laurell K Hamilton was reshaping the image of the vampire with her own take on the vampire mythos in her Anita Blake Vampire Hunter fantasy novel series While Hamilton s work draws on traditional vampire and fairy lore her interpretation of these subjects brought new dimensions to the genres influencing the direction of urban fantasy over the past two decades Reading Laurell K

Hamilton focuses upon Hamilton's two bestselling series the Anita Blake Vampire Hunter series and the Merry Gentry series. The volume is intended as a resource for leaders of book clubs or discussion groups containing chapters that examine Hamilton's role in the current vampire literature craze, the themes and characters in her work, and responses to Hamilton on the Internet. The book also provides a brief overview of Hamilton's life.

A Shiver of Light Laurell K. Hamilton, 2014-06-03

Merry Gentry, ex-private detective and full-time princess, is now the mother of triplets, a rarity in the high ranks of faerie. And not everyone is happy about it, including Taranis, King of Light and Illusion. He's using the human courts to sue for visitation rights, claiming that one of the babies is his. To save herself and her children, Merry will use the most dangerous powers in all of faerie: a god of death, a warrior known as the Darkness, the Killing Frost, and a king of nightmares. They are her lovers and her dearest loves, and they will face down the might of the high courts of faerie while trying to keep the war from spreading to innocent humans in Los Angeles, who are in danger of becoming collateral damage.

A Stroke of Midnight Laurell K. Hamilton, 2006

I am Meredith Gentry, Princess Merry, heir to the throne of Fairie. I have departed the safe haven of Los Angeles to face the peril and deception of my first home, the Unseelie court. There, my enemies are many, and my guards may not be able to protect me from the treachery of the unseen foes that will stop at nothing to keep me from the throne. As for my quest to produce an heir and thereby save myself and all that is faerie from utter destruction, well, I am still trying. As pregnancy becomes ever more urgent, I must leave the protected beds of the Queen's Ravens and lie with other men, men whose designs and allegiances remain in question. And a night of delirious passion will transport me and my new lovers to another place, the mysterious dead gardens, an event that portends great unrest in the forces of magic. In order to save myself and those I love, I must walk into the very mouth of danger and visit the Goblins in their lair, as well as the cunning King Taranis himself, who has an astonishing proposal for me. For I alone hold the power to rescue the universe, even if it requires aligning with my greatest and most dangerous of adversaries. But I'm running out of time.
