Adventures in Mixed Media Jane Davies, 2011-04-26. Mixed media in all its forms, not just traditional two dimensional paper based collage, but three dimensional pieces that include fiber, fabric, a variety of embellishments, found objects and even repurposed and recycled materials, offers artists an opportunity to move freely across the boundaries of art, craft, painting, quilting and collage. In *Adventures in Mixed Media* Jane Davies shows you how to use this art form to enrich your creative expression. In lessons that inspire creativity, Jane demonstrates a variety of techniques using paper, fabric, embellishments such as beads, feathers and ribbons, fusible and nonfusible fibers and even foamcore. Books, bags, mini quilts, personal shrines and paper dolls are just some of the projects inside and of course Jane emphasizes ways to incorporate photos and other personal memorabilia and details into your art. Whether you are a beginner and want to start with techniques like scribble painting or basic collage, or an expert collage artist eager to learn new uses for familiar materials, this is the book to guide your creative explorations in collage and mixed media. **Collaborative Art Journals and Shared Visions in Mixed Media**
