

My Ambition Essay

A man without any ambition cannot progress in this world. He achieves nothing in life. He has no goal or destination. He does not have any desire to make a start. He tosses about like a straw in the wind. So, every young person should have an ambition for his career.

It is a fact that progress, success, and prosperity are the result of human ambitions. It is the ambition that urges us forward. But simply having an ambition is not enough. Ambition must be backed up by continuous efforts to achieve it. If a man gets an ambition without having any desire to achieve it, will never achieve anything. His ambition is no more than an unmet dream. There are as many aims as men. The nature of ambition is different from man to man. It depends upon his family background, upbringing, economic position, and social status. Some people want to be doctors, others to be engineers or even are military officers. The ambition of some other persons is to earn wealth and fame that even after their death their names live on. There are few people striving to become up government jobs, teachers, artists, academicians, etc. etc. etc.

As far as myself, the main object of my life is to reach a life of simplicity and goodness. Therefore, my ambition in life is to become a teacher. I have my own reasons for this. First, about the persons of the people in my country are illiterate. They are ill to progress. By becoming a teacher, I will be able to remove illiteracy and ignorance. Secondly, though teaching is not a shiny profession, yet it is one of the noblest professions. The best people in the world are those who learn to teach others. The profession will enable me to maintain my life by the principles of simple living and high thinking. I hope to perform this duty with love. Thirdly, this profession calls for a sense of dedication and responsibility. As a teacher, with the quality of respect, honesty, honesty, I will serve my country by producing better citizens. The students of today are citizens of tomorrow. By being a teacher, I will be able to make my humble contribution to the building of my nation. I will also be able to inculcate a sense of patriotism, nationalism, and responsibility in my students. In the light of above mentioned reasons, I am convinced that my decision is right. I will, therefore, have no other intention to achieve the ambition of my life.
