*Best Practices in Data Cleaning* Jason W. Osborne, 2012-01-10 Many researchers jump straight from data collection to data analysis without realizing how analyses and hypothesis tests can go profoundly wrong without clean data This book provides a clear step by step process to examining and cleaning data in order to decrease error rates and increase both the power and replicability of results Jason W Osborne author of *Best Practices in Quantitative Methods* SAGE 2008 provides easily implemented suggestions that are research based and will motivate change in practice by empirically demonstrating for each topic the benefits of following best practices and the potential consequences of not following these guidelines If your goal is to do the best research you can do draw conclusions that are most likely to be accurate representations of the population s you wish to speak about and report results that are most likely to be replicated by other researchers then this basic guidebook is indispensable      Psychology John W. Santrock, 2000 Based on the extensively revised Santrock s *Psychology* 6e *Psychology Brief Edition* is a highly readable practical and research oriented introduction to the discipline The Brief Edition was developed to satisfy the demand for a shorter text that could easily be covered in one semester Chapters were rewritten to maintain the continuity and pedagogy that has made Santrock a student and market favorite Memory Language and Intelligence have been combined to form one cohesive chapter and the health psychology and statistics

coverage has been moved into an appendix Santrock provides faculty and students with the most relevant introduction to psychology available no other Introductory text provides a better balance of research vs pedagogy content vs applications depth vs breadth and theoretical vs practical information All of this is presented in the clearly understandable and straightforward prose that Santrock is renowned for and in a highly visual design that is pedagogically sound and engaging without being distracting
