Ebook: Advanced Accounting

Joe Ben Hoyle, Thomas Schaefer, TIMOTHY DOUPNIK, 2014-10-16
The approach used by Hoyle Schaefer and Doupnik in the new edition allows students to think critically about accounting just as they will do while preparing for the CPA exam and in their future careers
With this text students gain a well balanced appreciation of the Accounting profession
As Hoyle 12e introduces them to the field s many aspects it often focuses on past controversies and present resolutions
The text continues to show the development of financial reporting as a product of intense and considered debate that continues today and into the future
The writing style of the eleven previous editions has been highly praised
Students easily comprehend chapter concepts because of the conversational tone used throughout the book
The authors have made every effort to ensure that the writing style remains engaging lively and consistent which has made this text the market leading text in the Advanced Accounting market
The 12th edition includes an increased integration of IFRS as well as updated accounting standards
