**Mirrors & Windows: Connecting with Literature - Annotated Teacher's Edition (ATE)**, 2016 Understanding Literature, 1987 Mirrors & Windows. Connecting with Literature, 2021 **Unpacking Privilege in the Elementary Classroom** Jacquelynne Boivin, Kevin McGowan, 2024-12-09 Brimming with reflection and resources this book is ideal for white elementary teachers who wish to host conversations about race with their predominantly white classes This book is a clear cut guide for integrating antiracism into teaching and education along with policy reform needed for systemic change Providing hands on experience and practical insights from literature it breaks down subject specific strategies to approach

racial conversations The book acknowledges the variety of challenges that teachers face and encourages them to continue self work as a step towards supporting students While specifically targeting all white and predominantly white classrooms this resource is suitable for additional professional development and educator preparation programs when considering a variety of racial dynamics Igniting Social Action in the ELA Classroom Robyn Seglem, Sarah Bonner, 2022 This practical book provides teachers with step by step guidance for developing a class culture that welcomes curiosity and ignites social action Student driven inquiry has a lasting impact on learning yet questions posed from students own contexts rarely serve to shape their understanding of the outside world The authors show teachers how to use literature to introduce characters and worlds that exist outside of their students lived experiences Through this exposure students can develop questions that seek to build empathy for others which ultimately positions young people to be change agents in their communities and in the larger world This book translates ideas from theorists in critical literacy student motivation and culturally responsive pedagogy into practical approaches for the English language arts and social studies classroom 6 12 Each chapter poses questions designed to get teachers thinking about how to use mind opening texts with students to address social problems Book Features Shows teachers how to use literature to help students navigate a shifting world Equips students with the skills to advocate for themselves and others including using digital tools in meaningful effective ways Asks students to face controversial points of view head on and interrogate the world in which they live Includes examples of discussions that lead to projects and opportunities that allow youth to do work in the community Demonstrates how to move theory into practice providing teachers with the rationale for using inquiry as disruption if questioned by stakeholders Contains a scope and sequence that outlines an entire year devoted to inquiry as well as how to break it down into individual units and lessons
