Life Orientation Project Term 2 2015:

Project 2015 ,2002 Addressing Multicultural Needs in School Guidance and Counseling Taukeni, Simon George,2019-10-04 Globalization and shifting demographics have led to a call for an immediate change in education based counseling Future school counselors must be equipped with 21st century skills that are applicable across cultural boundaries and applied in a global context Addressing Multicultural Needs in School Guidance and Counseling is a pivotal reference source that provides a framework for school counselors and life skills teachers to implement globally focused comprehensive school guidance and counseling programs in schools as well as intervention strategies that effectively deal with psychosocial issues facing students and their families Highlighting topics such as child abuse diversity awareness and antisocial behavior this publication explores skills applicable to the global cultural shift and the methods of guiding students to reach a higher level of self fulfillment in their lives It is ideally designed for school administrators school counselors psychologists educational professionals academicians researchers and students Nostalgia after Apartheid Amber R. Reed,2020-11-30 In this engaging book Amber Reed provides a new perspective on South Africa s democracy by exploring Black residents nostalgia for life during apartheid in the rural Eastern Cape Reed looks at a surprising phenomenon encountered in the post apartheid nation despite the Department of Education mandating curricula meant to teach values of civic responsibility and liberal democracy those who are actually responsible for teaching this material and the students taking it often resist what they see as the imposition of white values These teachers and students do not see South African democracy as a type of freedom but rather as destructive of their own African culture whereas apartheid at least ostensibly allowed for cultural expression in the former rural homelands In the Eastern Cape Reed observes resistance to democracy occurs alongside nostalgia for apartheid among the very citizens who were most disenfranchised by the late racist authoritarian regime Examining a rural town in the former Transkei homeland and the urban offices of the Sonke Gender Justice Network in Cape Town Reed argues that nostalgic memories of a time when African culture was not under attack combined with the socioeconomic failures of the post apartheid state set the stage for the current political ambivalence in South Africa Beyond simply being a case study however Nostalgia after Apartheid shows how in a global context in which nationalism and authoritarianism continue to rise the threat posed to democracy in South Africa has far wider implications for thinking about enactments of democracy Nostalgia after Apartheid offers a unique approach to understanding how the attempted post apartheid reforms have failed rural Black South Africans and how this failure has led to a nostalgia for the very conditions that once oppressed them It will interest scholars of African studies postcolonial studies anthropology and education as well as general readers interested in South African history and politics "Code of Massachusetts regulations, 2015" ,2015 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020 **Yearbook of International Organizations 2014-2015, Volumes 1a & 1b (Set)** Union of
