Life Science Paper 2 November 2013 Grade 1:

The Best Class You Never Taught Alexis Wiggins, 2017-09-27 The best classes have a life of their own powered by student led conversations that explore texts ideas and essential questions In these classes the teacher s role shifts from star player to observer and coach as the students Think critically Work collaboratively Participate fully Behave ethically Ask and answer high level questions Support their ideas with evidence and Evaluate and assess their own work The Spider Web Discussion is a simple technique that puts this kind of class within every teacher s reach The name comes from the weblike diagram the observer makes to record interactions as students actively participate in the discussion lead and support one another s learning and build community It s proven to work across all subject areas and with all ages and you only need a little know how a rubric and paper and pencil to get started As students practice Spider Web Discussion they become stronger communicators more empathetic teammates better problem solvers and more independent learners college and career ready skills that serve them well in the classroom and beyond Educator Alexis Wiggins provides a step by step guide for the implementation of Spider Web Discussion covering everything from introducing the technique to creating rubrics for discussion self assessment to the nuts and bolts of charting the conversations and using the data collected for formative assessment She also shares troubleshooting tips ideas for assessment and group grading and the experiences of real teachers and students who use the technique to develop and share content knowledge in a way that s both revolutionary and truly inspiring

Africa in the Age of Globalisation Assoc Prof Edward Shizha, Assoc Prof Lamine Diallo, 2015-04-28 This is a collection of bold and visionary scholarship that reveals an insightful exposition of re visioning African development from African perspectives It provides educators policy makers social workers non governmental agencies and development agencies with an interdisciplinary conceptual base that can effectively guide them in planning and implementing programs for socio economic development in Africa The book provides up to date scholarly research on continental trends on various subjects and concerns of paramount importance to globalisation and development in Africa politics democracy education gender technology global relationships and the role of non governmental organisations The authors challenge the familiar paradigms in order to show how imperfectly if at all assumptions about globalisation and development theories have failed in their depictions and applications to Africa The scholars in this volume both inform and advocate for a re visioning of perceptions on Africa and how it navigates global processes

Southeast Asian Migration Khatharya Um, Sofia Gaspar, 2015-10-01 Southeast Asia has long been a crossroad of cultural influence and transnational movement but the massive migration of Southeast Asians throughout the world in recent decades is historically unprecedented Dispersal compelled by economic circumstance political turmoil and war engenders personal familial and spiritual dislocation and provokes a questioning of identity and belonging This volume features original works by scholars from Asia America and Europe that highlight these trends and perspectives on Southeast Asian migration within and beyond the Asia Pacific region

Adopting an interdisciplinary approach with contributions from sociology political science anthropology and history and anchored in empirical case studies from various Southeast Asian countries it extends the scope of inquiry beyond the economic concerns of migration and beyond a single country source or destination and disciplinary focus Analytic focus is placed on the forces and factors that shape migration trajectories and migrant incorporation experiences in Asia and Europe the impact of migration and immigration status on individuals families and institutions on questions of equity inclusion and identity and the triangulated relationships between diasporic communities the sending and receiving countries Of particular importance is the scholarly attention to lesser known populations and issues such as Vietnamese in Poland children and the 1 5 generation immigrants health and mental consequences of state sponsored violence and protracted encampment ethnic media and the challenges of both transnational parenting and family reunification In examining the complex and creative negotiations that immigrants engage locally and transnationally in their daily lives it foregrounds immigrant resilience in the strategies they adopt not only to survive but thrive in displacement
