## **INSTRUCTIONS TO MARKERS**

1. Please mark according to the provincial examination guideline.
2. Consider all realistic / relevant answers.
3. Do not expand the memorandum with your own answers as this is a common provincial task and should assist in fair and valid assessment across the province.
4. Adhere to the memorandum throughout the marking process as the questions are content specific and answers should reflect the content taught and assessed.
5. Mark accurately and always check all calculations and transfer of marks.
6. At least 10% of all answer scripts should be remarked by the HOD / senior teacher as part of the post-moderation process.
7. Remember we are working with learners' futures, so let us be fair, valid and just in assessing their work.

This marking guide consists of 7 pages.

Positive Psychotherapy Tayyab Rashid, Martin P. Seligman, 2018-07-17 For over a century the focus of

psychotherapy has been on what ails us with the therapeutic process resting upon the assumption that unearthing past traumas correcting faulty thinking and restoring dysfunctional relationships is curative And indeed they are but in the rush to identify and reduce symptoms of mental disorder something important has been overlooked the positives Should enhancing well being and building upon character strengths and virtues be explicit goals of therapy Positive Psychotherapy provides therapists with a session by session therapeutic approach based on the principles of positive psychology a burgeoning area of study examining the conditions and processes that enable individuals communities and institutions to flourish This clinician s manual begins with an overview of the theoretical framework for positive psychotherapy exploring character strengths and positive psychology practices processes and mechanisms of change The second half of the book contains 15 positive psychotherapy sessions each complete with core concepts guidelines skills and worksheets for practicing skills learned in session Each session also includes at least one vignette as well as discussion of cross cultural implications Mental health professionals of all orientations will find in Positive Psychotherapy a refreshing alternative to symptom based approaches that will endow clients with a sense of purpose and meaning that many have found lacking in more traditional therapies
